## CHANGE AT CABARRUS MILL.

**Pleasing Tribute to Mr. Hornbuckle by Those Over Whom He Has Served.**

Mr. W P Hornbuckle has resigned his position at the Cabarrus mill to take charge of a room of 1,500 looms in Lynchburg. He severed his connection at the Cabarrus mill on Saturday evening. The operatives in his department showed their respect and attachment for him by presenting to him a gold watch chain and charm.

Supt. C M Suther made the presentation speech and the occasion was made most pleasant with congratulations to Mr. Hornbuckle in this advancement to a higher position. Mr. Hornbuckle went from the Odell mills some years ago to Lynchburg and from there to the Cabarrus mills and now goes back to Lynchburg. Each of these movements has been in the time of promotion too and carry justification and honor with them.

Mr. Hornbuckle will be succeeded in the Cabarrus mill by Mr. D B Leadgus, of Spartanburg, S. C., who will arrive the last of the week.

## COURT CONVENEED.

**Grand Jury Charged—No Cases Tried In the Forenoon.**

Court opened this (Monday) morning with Judge Bryan presiding. The court was organized and the grand jury charged in able and comprehensive style. There were no trials in the forenoon. As we go to press the appointed addresses by Messrs. Simmons and Klutz are occupying the public interest. They have just finished and we will note them in tomorrow's issue.

## About the Chain Gang.

Henry Phifer, who escaped from the chain gang on January 25th, 1899, and went to the Virginia coal mines, returned to Concord Saturday evening on a freight train and was taken in by Superintendent Benfield and Officer Johnson. Henry set in this (Monday) morning to work out the remaining 9 months and two days of his term of 15 months.

Supt. Benfield tells us that he is needing the present term of court, for his force has gotten down to 18 men. He also says that he is now out of only one man since July, 1899, and he is one-armed and only lacks a month and two days of time and therefore is not much game.

Six have escaped during this period, but five have been captured. The average escapes he says are about nine per year.

## MR. LONNIE ISENHOUR DEAD.

**Yields to Typhoid Fever—Twenty-Four Years Old—Six Months of Married Life.**

Death invaded the home of Mr. Lonnie C Isenhour Sunday morning and robbed the young wife of her husband with whom she had been walking the pathway of life but six months.

Mr. Isenhour was sick but little over a week of typhoid fever.

He married Miss Neal Morgan of Forest Hill.

Mr. Isenhour was but 24 years old and had promise of usefulness in life. He was a consistent member of St. James Lutheran church. The funeral services were conducted at the home on East Depot street at ten a. m., today (Monday) by his pastor Rev. C B Miller and the body was laid to rest in the city cemetery.

## Big Orange Crop.

Jacksonville, Fla., Oct. 11.—Railroad men who are going through the State preparing for the Winter's shipment of oranges report that the coming crops will be the largest marketed since 1894. Fruit men who have been investigating the matter say the same. Careful estimates show that the crop will be fully one million boxes.

The crops of some of the largest growers in South Florida have already been purchased at a rate of \$1.85 per box on the tree. Next season's crop, if nothing interferes, will be over a million and a half boxes.—Newbern Journal.

## America Well Up.

America leads all nations but France in awards given at Paris by the exposition managers. The United States received the greatest number of awards of any nation outside and they received the same proportion of awards in each classification, except grand prizes, in which Germany secured a greater number. In grand prizes Russia had 226 and the United States 216. Gold medals, United States, 547; Germany 510. Silver medals, United States 593; Germany 575. Bronze medals, United States 501; Germany 321; Great Britain 410. Honorable mention, United States 348; Great Britain 208. Russia and Great Britain did well in all the awards but we give but the above.—Wilmington Messenger.

## INDIANS TAKE THEIR SCALPS.

**Carlisle Boys Defeat University Pig Skinners by a Score of 16 to 2.**

Washington, October 13.—The Carlisle Indians defeated the University of Virginia eleven at National Park today by a score of 16 to 2. A fair crowd made up largely of excursionists from Virginia was present. The ground was too muddy for good play, and the handling of punts was made difficult by the wet ball.

The Indians were slightly heavier than the Virginians, and carried the game with a rush. Virginia's defensive tactics improved as the game progressed, and Walker, the University right tackle, was a tower of strength, at times throwing the entire Indian line.

The Indians made a touch-down soon after the game began, but the Virginians steadied and it was only by the strength of the Indian rush line that the goal was won. In the second half the Indians scored a touch-down, but failed to kick goal, but soon after kicked goal from the field.

The game was extremely clean throughout, with only one accident. Harris, of Virginia, slightly injuring his arm. He was replaced by Mulford.
