## FOREPAUGH AND SELLS BROTHERS SHOW.

Immense Street Parade—Sea Lions the Star Performers—Human Statuary Excellent—Menagerie Good—Immense Attendance.

The Forepaugh and Sells Bros' great circus has come and gone. It is quite an aggregation. It takes about 50 cars to carry it from place to place. In the street parade there were forty vehicles, one drawn by ten horses. There were four bands and the calliope, making a splendid street scene.

The show had conspicuously good features at the head of which was the herd of sea lions. They manifested a susceptibility to training not equaled, probably, by any other animal, and the show pictures do not tell all their cleverness.

The human statuary was exceedingly beautiful.

The cycling, with one standing erect on the shoulders of another was rare.

The elephants, of which there were an unusually large herd, executed some very good drill practice. The circus riding and the trapeze performances were hardly up to the average of large circuses, though several features were excellent. The four horse Chariot racing was thrilling but was too quickly over. There was an absence of clownish witticisms and beauty of rhetoric that is a source of pleasure to the intelligent class. The menagerie is quite satisfactory and valuable for the lovers of earth's fauna.

There were some fine equestrian performances, though quite limited.

The show was quite well patronized and the tent contained probably 4,000 spectators at the afternoon performances and a fair number at night.

As a whole the show was hardly up to expectations for such a gigantic affair, but all had the satisfaction of having seen the monkey.

The long and the short of it are Mr. S. A. Shields and wife, each 7 feet 5 inches and Major Ray and wife, the former 36 inches and the latter 37 inches in height.

### Aged Lady Dead.

Mrs. Fredrick Korf, an aged lady of South Rowan, died Monday night of dropsy. She leaves to mourn her departure a devoted husband. The funeral services were conducted at Ebenezer E. L. church today (Wednesday) by her pastor, Rev. G. H. Cox.

### Mr. Barrier Has Fever.

Mr. Herbert Barrier is confined to his room and it is feared he has malarial fever. The Truth-Index, with his other friends, wishes for Mr. Barrier's speedy recovery.—Truth-Index of 17th.

## GEORGEVILLE ITEMS.

Public Debate, November 10th—Business Flourishing But Cattle Ranch Goes Out of Business.

Rain has done a great deal to relieve trade and work has been pushed forward in this section wonderfully in the past few weeks.

As the Democratic party flourishes and overtowers and overmasters all others under the wise and prudent management of Chairman Simmons, so Georgeville high school thrives and excels all other schools under the matchless management of Prof. W. T. Albright.

The large cattle ranch of Jerome, Biggers & Co. has made an assignment. The gentlemen have gone out of business.

The Roller Mills at Georgeville are doing a good work and lots of it, too. The company has been doing lots of ginning this season.

Mr. George Shinn will build a new house here soon. Mr. Shinn is a wide awake and enterprising merchant of this place.

Miss Anna Shinn has recently returned home from a visit in South Carolina, where she has spent the summer.

The Grady Literary Society will give a public debate at Georgeville on Saturday night, November 10th. The question for discussion will be, Resolved, That the United States Senators should be elected by the direct vote of the people. Messrs W. E. McWhirter and W. B. Shinn will represent the affirmative and A. M. Shinn and A. L. Aycock the negative. We have just finished and furnished our new Literary Hall and cordially invite the public. The orators of the occasion are Messrs Clarence Barrier and T. E. Measmer. A.

### Death Claims Their Boy.

We are sorry to learn of the death of Charlie, the three-year-old son of Mr. and Mrs. C. M. Brown, of Salisbury. He was the grand-son of Mr. F. V. Barrier. He suffered for some ten days from typhoid pneumonia but the case only took critical form last Sunday. He died this (Wednesday) morning at 9 o'clock. The funeral services will be conducted at 10 o'clock tomorrow morning at the Lutheran church.

Our deepest sympathies go out to these young parents in the loss of the dear boy, who as a focus of united affection knitted the parental hearts in strongest bands of unity, and commend to them the comfort in "What I do thou knowest not now but shalt know hereafter."

### Almost a Second Crop.

Mr. B. E. Parish has shown us a sample of second blooming and bearing by an apple tree this fall. He thinks there would have been a fair degree of maturity if the season had not been too dry.

### Band Carnival—Thanks.

The carnival held last week was indeed a success which was very gratifying to the band, and we feel that in reaching such successful proportions it was entirely due to all who aided us.

We desire to embrace this opportunity of tendering our sincere thanks for the generous contributions and hearty aid given us by all. Our band feels grateful to all, and especially to the ladies who left homes, and the duties always attending a housekeeper, and threw themselves heart and soul into this work, and to these we are profoundly grateful.

In saying this, we would not however discount the labors of any one, nor the help of any one, and again thanking one and all, we hope to be able to serve them some time in the future.
