

## Happy old age

Many women who have enjoyed good health all their life begin to fade when they reach the age of forty-four. They grow nervous and irritable and suffer with sick-headaches. Their livers are torpid, their digestion is impaired and their bowels are irregular. They are experiencing the "change of life." And it is not strange that the cessation of the menstrual habit after thirty years operation should disturb the system and tax the strongest constitution. This trying period has no terror for a woman who uses Wine of Cardui. It builds up her strength and prepares her for the ordeal. When the change of life is not safely passed, a woman quickly becomes an invalid. Slumbering disease germs are given increased activity and they appear in aggravated form. If you take Wine of Cardui regularly when approaching the change of life you will be assured better health than you have ever enjoyed before. A happy old age and restful calm will be your reward. Mrs. Campbell was cured after suffering three years with "change of life." Theford's Black-Draught, the companion medicine of Wine of Cardui, assimilates with it perfectly, curing digestive liver and kidney affections, and throwing impurities and disease germs out of the system. Both working together make a well and happy woman.

**DR. WILLIAMS' Wine of Cardui**

YOUNG, Laurens Co., S. C., Sept. 22, 1899.

I have recommended your Wine of Cardui and Theford's Black-Draught to several of my lady friends, and I can say they are what you recommend them to be. I have been suffering three years with the "change of life," and I did not get anything that would do me any good until I tried your medicines. I give thanks to Wine of Cardui and you, for it relieved me. Mrs. D. H. CAMPBELL.

### Fatal Football Game.

An Asheville special of the 21st to the Charlotte Observer says; William Dougal Price, of Palestine, Texas, a student at Bingham School, died this afternoon of injuries received in a football game yesterday afternoon at 5:30.

The first and second elevens were playing a practice game and Price, who was left end, attempted to stop interference and fell, his head being partly under his body and several players fell on top of him. Price's spinal cord was sprained and the lower part of his body paralyzed. He was 18 years of age.

### It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. B. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by M. L. Marsh.
