## BAPTIST CHURCH DEDICATED.

Fourteenth Anniversary — Handsome Sum Raised — Eight Original Members Receive Congratulations — The Revival Meeting Closed.

At the Baptist church, Sunday, the services were of more than usual interest, it being the closing day of the season of revival meetings which Rev. B. Lacy Hoge has been holding there during the past fortnight.

At 9:30 in the morning the Sunday school was opened, and, after the classes were deployed, the school was addressed by Hon. N. B. Broughton, of Raleigh, in a spirited and very interesting discourse upon Sunday school work. At 10:30 o'clock the regular morning service was opened with praise and prayer and the ordinance of baptism. Dr. C. A. G. Thomas, of Raleigh, read from Isaiah 35 and offered prayer. Deacon Morgan then rose and presented the church in dedication to Pastor Hoge, the day being the date of its fourteenth anniversary. Dr. Thomas then quoted his text from Galatians 6:14, delivering the dedication sermon with much fervor and depth of spirit which was received by a large audience with high appreciation.

At the close of the discourse Mr. Broughton rose, and with characteristic humor and cheerful good nature, solicited from the audience a sum of \$150 for the needed improvement of the church property. Bro. Broughton invariably does what he undertakes, and the sum of \$175 was speedily and cheerfully pledged. Concluding song, and the benediction, terminated the service, and the congregation retired, to re-assemble at 6:30 p. m., for the final revival meeting of the series. At this hour Deacons Smith and Sikes were formally ordained, and the baptismal rite was performed by Rev. Mr. Hoge. Dr. Thomas then read from Romans 6, and drew his text from Galatians 2:19-20 for the evening theme. The discourse was powerful and effective, and at its close eleven persons professed Christian faith.

After the dismissal of the congregation a brief but effective prayer service was held, and thus the 14th anniversary day of the Concord Baptist church was ended.

It is gratifying to add that eight of the twenty-seven original members of this church were present to receive the warm congratulations of the brethren; also the organist, who was the first baptized member in this church.

## NEWS CULLIONS.

Newberne has a colored Democratic club.

Ten thousand people visited the State Museum at Raleigh last week, as many as 3,750 in a single day (Thursday.)

A Norfolk dispatch of the 27th says the Presidency of Washington and Lee University has been tendered ex-President Cleveland.

The greatest political meeting of the campaign occurred in New York Saturday night in honor of Col. and Mrs. Bryan. Mr. Bryan made five speeches and it is estimated that more people heard him than ever heard any one man in any one day in our history.

William Stark, of Port Clinton, O., had a wife and ten children a few weeks ago. Two have died of disease recently and on last Sunday four were taken in a boat to ride. Some difficulty occurred with the boat and the children took fright and leaning on one side of the light boat capsized it, when all were drowned. Thus six of the ten were lost to the family in less than three weeks.

A spectator at the Spartanburg carnival today threw a lighted match near a can of gasoline, which exploded by the cage in which Madam Clio, otherwise known as "the Lion Queen," was doing her turn with four large lions belonging to the Frank P. Bostic Carnival Company. The straw on the ground caught fire. The lions became frenzied and attacked the young woman. The spectators were terror-stricken, but those who did not fly in panic could offer no assistance. The floor of the cage caught fire and there was danger of the lions breaking out, but Madam Clio displayed remarkable strength and courage. With an iron bar she beat back the lions, although her arms and shoulders were torn by their claws. Her clothing caught fire, but she kept the lions under control until help came and they were gotten into another cage. —Columbia, S. C., Dispatch, 26th.

Prof. C. C. Orr had the misfortune last week while playing football to get his collar bone broken. His many friends here wish him a quick recovery.

## It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grady, the popular druggist of Concord, N. C. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and if it did not cure her cough I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy." It is for sale by M. L. Marsh.

## Sad Base Ball Accident.

Mr. Stafford Turner was killed at Sunnyside, near Reidsville, last Saturday, by a peculiar accident. In his effort to gain a base he struck a playmate who fell and Turner fell with great force on the knee of the fallen player as the knee was standing directly up. Internal injuries were received from which he calmly told them that he would die. Brothers, sisters and sweet-heart, to whom he would soon have been married, were present and bade him an affectionate farewell before he lost consciousness and died.

## Mrs. Bryan on the Tour.

Mrs. W. J. Bryan will remain with her husband until the close of the campaign.

She joined him at New Haven and will travel with him until his speaking tour ends.

Mrs. Bryan is a slender woman and a very good looking one. In her husband's former campaign she traveled with him a great deal and her advice was of great help to him. —Atlanta Journal.
