CARR AND HIS WORKMEN.

A Tribute to His Services as a Man and His Generous Treatment as an Employer.

The following letter, a special to the Charlotte Observer, does not cause our choice for senator to waver but is a tribute so handsome, and coming as it does from employees, deserves to be disseminated in justice to the subject as well as for the wholesome effect on the relations of capital and labor that it is calculated to promote:

"Much is being said and written about the merits of the senatorial candidates. A short time since a letter from some of the former employes of Gen. J S Carr, in which we did not have an opportunity to join, was published. Having been in the service of Gen. Carr for 20 years or more, next preceding his sale of the Bull factory, we desire to speak of his services as a man and his generous, humane and fair treatment as an employer. We served as managers in the various departments, and no better feeling ever existed between employes, from the least to the greatest, and employer. Good wages were paid, and the treatment of even the humblest employe was always so fair, so humane, and so just that a life long friendship for the head of that mammoth establishment was implanted in the breast of every one who worked therein. Gen. Carr is the true and tried friend of the working man under any and all circumstances. This letter is written without the knowledge of Gen. Carr or any of his campaign managers, but of our motion and in defence of that great and good man, who is being unjustly and cruelly assailed. If every working man in North Carolina knew him as we do, they would march to the polls in one solid phalanx and vote for him for United States Senator.

Executive Committees Meet.

The Executive Committee of the North Carolina Synod met at Enochville today (Friday) together with the executive committee of Womans' Home and Foreign Missionary society of the synod. The object of the meeting is a consultation of the W. H. and F. M. Society with the synod for fixing upon some local object on which to centre the efforts of the society.

Stanly Enterprise Items.

At a call meeting Wednesday of the Albemarle Telephone Company they decided to put in a telephone Exchange here and will begin work at once.

Mr. Filmore Whitley brought us an interesting corn stalk on Tuesday. It is rather phenomenal. The stalk is well developed, has six separate and distinct shutes with six full grown ears of corn thereon.

On next Tuesday the voting takes place. While we can safely predict a quiet election in Stanly, we also confidently look for a large vote. This county will give a large majority to Bryan for president, and will go at least 80 per cent. for Simmons, judging from the present outlook.

Mr. Butt's Show.

Mr. Arthur Butt had a splendid patronage Thursday night and the scenes were highly gratifying. It was pleasing to note that while the book of Revelation was being recited and painter's fancy was being presented even the small boy was wrapped in sacred awe and expressed his emotions only in whisperings. It is needless to say that pent-up youth broke forth as a flood over a dam when the projectoscope pleasantries were presented.

Old Testament illustrations will be presented tonight. The hour is 8 o'clock sharp.

Might Have Been Bad.

Mr. M L Blackwelder had an accident Thursday that was remarkable in its freedom from much seriousness. His little daughter was left in the hack in the yard, which is steep. She gave a slight pull of the line, and the horse got started to backing and soon had the hack bottom upward over the child and the horse itself prostrated. The child was but little hurt and the hack had some little damage.

Mr. S. A. Hamilton Paralyzed.

We are sorry to learn that Mr. S A Hamilton is prostrate from a stroke of paralysis. He was somewhat affected early in the morning. It grew upon him till about noon he was powerless and scarcely able to speak in the faintest whisper.

Bryan Answers the Questions Well.

A Princeton, N. J., dispatch of the 31st ult. gives the following splendid hits by our orator candidate for president: Francis J Hall, president of the University Republican Club, has received a letter from William J Bryan, dated New York, October 29th, in which he answers the two questions sent him by the Republican Club when he addressed the students at Princeton Junction last Thursday.

After expressing his appreciation of the courtesy shown him by the Republicans at that meeting, he answers the questions.

"First. Will you, if elected, redeem the coin obligations of the Government in gold or silver?"

To this he replied, that he would enforce the law as he found it; that the Republican party has the executive, House and Senate, and as there is one more session of Congress before another President is inaugurated he had no way of knowing what law regarding this matter would be in effect by March 4th. He also stated that his views on the money question could be found in his letters of acceptance.

"Second. Do you approve of the disfranchisement of the negroes in North Carolina by the Democrats of that State?"

Mr. Bryan stated that this question was not an issue in the campaign, and said:

"You should hold the President responsible for what he has done in Porto Rico and not me responsible for what has been done in North Carolina."

He adds that there is but little, if any, difference between the race question law in North Carolina and that in Porto Rico.
