SENATORIAL PRIMARIES.

Action of Committee Regulating Them—Who May Vote Etc.

There are certain provisions for holding the senatorial primaries tomorrow that should not be overlooked. The Democratic Executive Committee made arrangements complete. The provision for a second primary if no one receives a majority in the first is now practically useless as an election is sure, there being but two candidates. We give the essential provisions:

1. "The said primary shall be held on the first Tuesday of November next, at or near the places where the general election for presidential electors and congressmen is to be held throughout the State.

2. The Democratic County Executive Committee in each county in the State shall meet at the county seat on the 1st day of October, 1900, and appoint two Democrats, who shall be men of different views on the senatorial question, when possible, for each voting precinct in their said county, whose duty it shall be to hold the said senatorial primary election as herein provided for. The two persons so appointed to hold said election shall be men of good moral character, able to read and write, and qualified to vote in said election, and shall attend at their several voting places from sunrise in the morning until sunset in the evening, and shall superintend and conduct the said senatorial primary election, decide all questions which may be raised and exercise a general supervision and control, which shall be done with absolute fairness and impartiality.

That in the event that on the day for said primary, at any precinct in the State, one or more of said persons shall fail to appear to carry out the provisions of this resolution, that the registrar and Democratic poll-holder shall fill the vacancy from persons qualified as above to hold said primary.

3. It shall be the duty of persons so appointed to hold said Senatorial primary to keep a correct list of all persons who vote in said primary election, which list, upon the close of the election, they shall certify, and transmit to the Executive Committee of the county on or before the day provided by law for canvassing the votes for presidential elector and congressman. It shall be the duty of said persons so appointed to receive the deposit in a box, provided for that purpose by the Executive Committee of the township one vote from each person entitled to vote for the United States senator; and immediately upon the close of the election it shall be the duty of said persons, in the presence of such voters, therein as choose to attend, to correctly count the votes cast in the said senatorial primary election, and they shall make out an abstract of said vote, giving the names of all persons voted for therein, and the number of votes received

by each person, which said abstract they shall sign and convey by some safe means of conveyance to the Democratic Executive Committee of said county on or before the day appointed by law for canvassing the returns of the presidential electors and congressmen.

4. The Democratic County Executive Committees of the several counties in the State shall meet at the county seat on the day provided by law for canvassing the returns for presidential electors and congressmen, when and where they shall open and canvass the returns from the several precincts in their counties of the votes in the said United States senatorial primary. They shall prepare abstracts of said returns and certify the same over the name of the chairman and secretary, immediately transmit the same in a sealed envelope to the chairman of the State Democratic Executive Committee. That the State Executive Committee shall, at a meeting prior to the election in November, appoint a sub-committee of seven of its members, on which the several senatorial aspirants shall have representatives who shall constitute a board, to whom duplicate county returns be sent by the county chairman by registered mail, and the said board shall meet at Raleigh on the 20th day of November and canvass the returns and announce the result.

The members of the board of seven to whom the duplicate returns are to be sent are C M Busbee, of Raleigh; J S Manning, of Durham; H A London, of Pittsboro; E L Travis, of Halifax; A D Watts, of Statesville; James H Pou, of Raleigh, and B S Royster, of Oxford.

5. That it shall be the duty of the chairman of the County Democratic Executive Committee of each county to distribute in the several precincts tickets for each Senatorial candidate, provided the candidate furnish the tickets and defray the expenses therein.

After suitable preamble the following resolutions were passed by committee:

Resolved 1. That the term "Democratic voter" in the resolution of the State convention shall be construed to include all white and Croatan electors who vote in the November election for the Democratic presidential electors and for the Democratic candidates for Congress, as well as all white and croatan electors who voted the Democratic ticket in August 1900.

Resolved 2. That we hereby extend an invitation to every voter in North Carolina, not already so entitled, to qualify himself for voting in said senatorial primary by casting his ballot on that day for the Democratic presidential and congressional tickets."

Smallpox at Dawson.

Washington, Nov. 2.—United States Consul McCook at Dawson, Yukon territory, in a report just received, dated a month ago, reports several cases of smallpox in the post house below Dawson and says it looks as if there might be a serious outbreak of this disease at Dawson this winter. Navigation is now about closed here.

Mr. Arthur Butt did not show Saturday night on account of bad weather. He will show to night again. Remember the hour—8 o'clock sharp.
