TELEPHONE NO. 71.

CONCORD, N. C., Nov. 27 1900.

Among those ordained at the Greensboro conference we note the Rev. J H Baruhardt. We hope for much good to come from the ministerial career of this young man who from childhood chose the ways of righteousness.

"I am in for reform," says the man on whom the jailer has just turned the key.

Kruger is taking the French hands these days, but it's the French arms he'd rather have.

Our esteemed exchange the Greensboro Record of the 24th says, "Now don't get all mixed up, Thursday the 20th is Thanksgiving." We thought most people would hold off till the 29th.

At Colorado Springs, Col., last Sunday evening a mass meeting unanimously passed the following:

"We protest to our countrymen throughout the land that as law-abiding people we share with them the hazards of mob ebullition in revolt at nameless horrors and claim with them to be judged, not by flagrant exceptions, but by the steady peace and order of our daily life."

This is nice, very nice, but it comes soon after and refers to the Limon barbarity. What would it have been on the heels of a Southern resentment? Beside all this, let a similar outrage be committed on a lovely daughter of one of these protesters and see if they don't mob the villain too.

At Minneapolis, Minn., Frank H Hamilton, a newspaper man, and Leonard Day, a millionaire, were playing billiards last Sunday and having imbibed too freely got into a quarrel and a fight in which Day was killed by Hamilton. Sunday is not much of a day anyhow for drinking, playing games and ripping open arteries.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. M. L. Marsh will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.

NEWS CULLINGS.

Snow is said to be 15 inches deep in Burlington, Vermont.

The money has been raised in Salisbury to send little Johnnie Blue to the Baltimore Pasteur Institute.

One of the boilers on the steamer Elwood, on Lake Mud, Mich., exploded on last Sunday and killed three men and severely injured seven others.

Mr. Ed. Gaines took hold of a wet rope to pull on the electric light Sunday night in Salisbury. The wet rope made a good conductor and he was knocked down and part of his hand was blistered. He does not know how long he lay in the rain and mud but has learned to keep hands off rope connections with live wires when it is raining.

Dr. H A Hamilton a prominent physician, of Marysville, Iowa., was shot by some one in ambush at his barn on the 26th. No clue to the homicide could be gotten save that Alfred Alin had threatened his life on account of domestic troubles of which he accused the doctor of responsibility. Alin was arrested.

The Knights of Pythias, of Salisbury, gave a banquet Monday night. We note from the Truth-Index that it was a most fascinating occasion. The menu was bird on toast.

A Village Blacksmith Saved His Little Son's Life.

Mr. H H Black, the well known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled. There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale at Marsh's drug store.

It is believed by the engineers who are repairing the Galveston-Mexico cable, which was broken by the Galveston hurricane, that the storm was accompanied by a submarine eruption. The evidence of this eruption is found in the twisted condition of the cable. The sheathing is found to have been reversed, and the wires binding it to the core turned the wrong way.—Burlington News.

Editor Sees Wonders.

Editor W V Barry, of Lexington, Tenn., in exploring Mammoth Cave, contracted a severe case of piles. His quick cure through using Bucklen's Arnica Salve convinced him it is another world's wonder. Cures piles, injuries, inflammation and all bodily eruptions. Only 25c. at Fetzer's drug store.

Christmas trees are already being cut down in Washington county, Me., and the season's output from that section will amount to 400 carloads, with 360 bunches to a car. Each bunch consists of from two to six trees. The trees are sent to New York where they will retail for about ten times as much as they are worth on board the cars in Maine.—Lutheran Visitor.

Made Young Again.

"One of Dr. King's New Life Pills each night for two weeks has put me in my teens' again," writes D. H. Turner, of Dempseytown, Pa. "They're the best in the world for liver, stomach and bowels. Purely vegetable. Never gripe. Only 25c at Fetzer's Drug Store."

All persons are notified to clean up their premises at once, those keeping hogs are especially warned.
