Things to Be Remembered.

That a person is known by the company he keeps.

So is a grocer by the groceries he keeps.

That a physician can't prescribe until he first calls and makes an examination.

So you can't pronounce my stock of groceries incomplete until you first call and see them.

Remember also that you will always find me at my post.

W. A. FOIL,
Grocer.

NEWS CULLINGS.

From a Boston dispatch it is learned that a fearful gale swept the New England coasts on Tuesday night in which small craft suffered greatly. More than a dozen schooners were lost. The Rossgal was lost off the coast of New Jersey in which it is said 28 of the 40 people on board were lost.

The new \$2,000 house just being finished for Miss Minnie Jenkins in Burlington was burned on the 4th. It is supposed to be an incendiary deed.

The Trading Board correspondent to the Truth-Index thinks there is as much gold and copper in that neighborhood as anywhere else. Some good specimens of copper have lately been discovered.

Made Young Again.

"One of Dr. King's New Life Pills each night for two weeks has put me in my teens again," writes D H Turner, of Dempseytown, Pa. They're the best in the world for liver, stomach and bowels. Purely vegetable. Never gripe. Only 25c at Fetzler's Drug Store.

The Alabama man and pipe take the precedence as far as antiquity goes. A citizen of Sheffield, in that State, has the fossil remains of a man and a corncob pipe, found sixty feet below the surface in a bed of hematite ore. How the man and the pipe got there, none of the present inhabitants know, and as he is thoroughly fossilized the inference is that he got there sometime before C. Columbus arrived on this side. This gives proof of the early settlement of Alabama and also that her people were far enough advanced to appreciate the pipe—a corncob pipe too.—Morning Star.

How to Cure Croup.

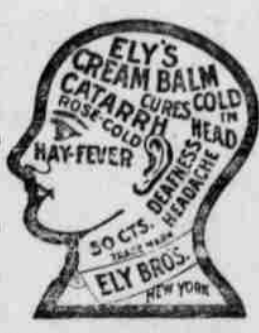

Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by M. L. Marsh.

A Hazelton, Pa., minister calls football the devil's game. We wouldn't like to go that far, but they have a devil of a time playing it sometimes.—Morning Star.

It is so much easier to give thanks than it is to give presents is why Thanksgiving day is becoming more popular than Christmas.—Orange Observer.

Nasal CATARRH

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Drug-gists or by mail, Trial Size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.
