TRAIN WRECKED AND BURNED.

Two Killed—Great Strength of Pullmans Saved the Passengers.

On the Baltimore and Ohio road near Pittsburg, Pa., a full vestibule train was wrecked and destroyed on Wednesday, 1st. The engine left the track at a curve and the Pullman chair cars were piled upon it. Engineer Collins and fireman McCune were killed and 17 people were injured. Nothing but the great strength of the Pullman cars save from a terrible loss of life. These held in tact and saved their inmates. The gas tanks in the cars were exploded and quickly burned practically all the train.

Roosevelt Appoints a Democrat and an Ex Confederate.

President Roosevelt has appointed Dr. J L M Curry to represent the United States at Madrid on the occasion of the coming of age of the young Spanish King, Alfonso XIII. Dr. Curry was minister to Spain at the time of the birth of the King and was present in his official capacity at the palace when that interesting event occurred. The appointment is on this account particularly appropriate. But what will the extreme Democrats say to this honoring of a Democrat and a Southerner by President Roosevelt? Dr. Curry was minister under Cleveland and he is one of the few survivors of the Confederate Congress. Is it right for him to accept honors from a Republican President? We should like to hear from the the Sons of Veterans in this matter.—Charleston, S. C., Post.

Chapter of Accidents Follows a Tragedy.

Kalispell, Mont., Jan. 1.—Patrick Sullivan, a miner, of Jennings, Mont., shot his wife, his grandchild and himself, last night, with fatal results to himself and the child, while his wife is in a dangerous condition. The cause of the shooting is not known. The citizens of Jennings sent to Kalispell for medical aid and a special train was sent today with two physicians and the coroner. At a point just west of Lucerne, the engine jumped the track, instantly killing Engineer Herron and seriously injuring Fireman Wilcox. The caboose did not leave the track, and the doctors proceeded to Jennings, while the dead and injured were brought to Kalispell.

There are twenty-seven thousand employees of the government who hold down jobs and draw salaries located in the District of Columbia. The foundation upon which the tall monument to the Father of this country rest must be very substantial.—Morning Post.

Tumor Removed from a Mule.

Dr. B L Griffin our veterinary surgeon performed a neat but intricate job today on a mule belonging to Mr. P M Misener, at Brown Bro's. stable. It was a tumor involving the abdomen and nearing the large artery of the left thigh. Its removal was every day growing more difficult and dangerous and would soon have meant the loss of a valuable mule. If nothing unfavorable sets in the mule will soon be ready for service again. Our sense of suffering leads us to ask though, when we will begin to administer chloroform to animals and have them lie limp and painless while these operations are going on instead of tying them down and holding them so still that they can't move?

Real Estate Negotiations.

Negotiations are on by Mr. P B Fetzer for the purchase of the building occupied by Mr. D J Bostian's Rocket Store, but are yet incomplete. The principle owners are Judge W J Montgomery, Mrs. Gibson and Mr. R A Brown.

More Pants Fished Out With a Pole.

The home of Mr. D C Christian, living in the western part of the city, was burglarized and \$160 carried off by the robbers. He had the money in his pants, intending to deposit it the next morning. The robbers opened a window and pulled the pants out with a long pole. The matter was reported to the officers and an effort made to keep the matter quiet, hoping in this way to find the guilty parties, but it leaked out last night. No clues have been discovered sufficient to cause arrests.—Durham special of 1st to Charlotte Observer.

Saturday night Mr. Frank Davis spent the night with Mr. Robert Parish, on Main street, and during the night burglars entered the room and secured his pants. After they were searched and \$50 taken therefrom they were left on the fence in front of the house. Mr. L L Bennett's window was raised and \$5 taken from his pants. An unsuccessful attempt was made to rob Mr. J H Benson in the same manner.—Reidsville special to Charlotte Observer.

First Governor Not a Veteran.

Virginia inaugurated her first governor, on Wednesday, since the war, that was not a Confederate Veteran. Gov. Montague, too, is the youngest man ever inaugurated into the office in the Old Dominion.

From Our Neighboring Town and Sister County.

The graded school board met last night and elected Miss Eugenia Rowe, teacher of the fourth and fifth grades of the Albemarle graded schools, to succeed Miss Baldwin, resigned. Miss Rowe is a daughter of Rev. Dr. J C Rowe, presiding elder of the Charlotte district, and a sister of Rev. G F Rowe, pastor of the Methodist church at this place, and is a highly educated and cultured young lady.

Mr. Allen Tally, one of the oldest men in the county, died at his home at New London, last night. He was between 90 and 100 years old. He was the father of the man Tally, who was brutally murdered in his home where he lived several years ago, and which murder to this day remains a mystery.

The Albemarle and Concord Telephone Companies have joined hands and have just finished a new metallic line between the two places. The exchange at this place is constantly adding new 'phones and the service now is all that could be desired.

Mr. S M Hearne, who lives on mill hill, and whose children work in the knitting mill, has gone deranged. He has been sick several days, and in his present weakened condition, he cannot be taken to the State Hospital. When he first lost his mind he began to bark and snap like a dog, and had to be tied on the bed. It was at first thought he had hydrophobia, but such is not the case. He is gradually growing weaker, and unless he rallies, will not live many days.—Albemarle special to the Charlotte Observer.

And not be a whit the worse; It never was loving that emptied the heart,

Nor giving that emptied the purse—Old Song.
