TELEPHONE NO. 71.

CONCORD, N. C., Jan. 14, 1902.

## PLEASE WITHDRAW THE CLAIM AND ADMIT OUR AN

Our attention has been called  
to the fact that Cabarrus people  
have a very strong claim for the  
admission of Mr. G. O. Cline to  
the Soldier's Home at Raleigh  
without the refunding of the \$20  
drawn as a pension for 1901.  
The sum, as we now understand  
it, was for 1901. His petition  
was sent in some sixteen months  
ago and not being acted on, it  
was the proper thing for him to  
do to apply for a pension. The  
further claim as a pensioner will  
be cheerfully relinquished if he  
is admitted to the home.

It is not regarded as a correct  
ruling that this \$20 should be  
refunded. Quite a goodly number  
of our pensioners drew on  
this fund before they received it  
by borrowing or buying on the  
strength of the pension.

Our county through the noble  
energies of the Daughters of the  
Confederacy has always done  
well and has responded to about  
every call. We have never had  
a man in the home from Cabarrus  
and it is claimed with much  
force that Cline should not be  
debarred from the home on this  
plea. We hope the board of  
charities will do the justice to  
withdraw this requirement and  
admit Mr. Cline at once if there  
is room for him.

## THAT SCHOOL HOUSE MUDDLE.

That school house that was to  
be equally in Cabarrus and Meck-  
lenburg counties, but is built en-  
tirely in Mecklenburg county, is  
now a source of no little annoy-  
ance. Our sister county school  
men claim that we are not in  
good faith in refusing to receive  
the house and pay half the bill,  
but we think over here that we  
have no obligation to meet till  
that house is put on the line, ac-  
cording to the spirit and the let-  
ter of the agreement. There is  
no question but that if a division  
should occur, which is entirely  
probable at some time, Cabarrus  
will be able to hold only the  
land on this side of the line. It  
should be put there before it is  
received.

The board on Monday author-  
ized the Superintendent, Mr. C.  
A. Berger, and Mr. W. F. Smith to  
meet a committee from Meck-  
lenburg on Wednesday, the 15th,  
with power to act in the matter.  
The action, we suppose, will be  
to have the house rolled to its  
proper place.

Elaborate preparations are  
being made for the reception of  
Prince Henry, the brother of  
Emperor William, who will ar-  
rive soon to attend the launching  
of the Kaisers new yacht. It  
will be a very formal affair  
fought with diplomatic courtesy.  
It does not seem at all as if there  
was any misunderstanding or  
discourtesy perpetrated at the  
President's New Year reception  
which inspired a number of ring-  
ing editorials that seemed to beat  
the long roll for war between the  
two great nations.

## Children Especially Liable.

Burns, bruises and cuts are  
extremely painful, and if  
neglected often result in blood  
poisoning. Children are espe-  
cially liable to such mishaps be-  
cause not so careful. As a  
remedy De-Witt's Witch Hazel  
Salve is unequalled. Draws  
out the fire, stops the pain, soon  
heals the wound. Beware of  
counterfeits. Sure cure for  
piles. "De Witt's Hazel Salve  
cured my baby of eczema after  
two physicians gave her up,"  
writes James Mock, N. Webster,  
Ind. "The sores were so bad  
she soiled two to five dresses  
a day."—Gibson Drug Store.

## Time for Veterans' Annual Dues.

As the Confederate Veteran's  
Reunion will be on April 22, 23,  
24 and 25 it is none too soon to  
begin to collect the amounts to  
be sent to head quarters. Mem-  
bers of Camp, No. 212, will  
please bear in mind that ten  
cents is wanted for general head  
quarters and five cents for divi-  
sion or State headquarters. Vet-  
erans will please bring or send  
in this amount that it may be  
sent up promptly. It is very  
desirable that the organization  
be kept up and every veteran  
feels it incumbent upon him to  
do this little mite to bear the  
necessary expenses. Comrades  
will please forward the amount  
to the treasurer, J. D. Barrier.

H. B. PARKS, Commander,  
Camp No. 212, U. C. V.

## Strikes A Rich Find.

"I was troubled for several  
years with chronic indigestion  
and nervous debility," writes F.  
J. Green, of Dancaster, N. H.:  
"No remedy helped me until I  
began using Electric Bitters,  
which did me more good than all  
the medicines I ever used. They  
have also kept my wife in ex-  
cellent health for years. She  
says Telectric Bitters are just  
splendid for female troubles;  
that they are a grand tonic and  
invigorator for weak, run down  
women. No other medicine can  
take its place in our family." Try  
them. Only 50c. Satisfaction  
guaranteed by Fetzer's  
Drug Store.

## Minster's Mecklenburg Home Burned.

The home of the Rev. R. G.  
Miller of the A. R. P. church at  
Sardis was destroyed by fire  
Monday afternoon. The house  
and nearly everything within  
were burned.

## Beat Out of an Increase of His Pension.

A Mexican war veteran and  
prominent editor writes: "See-  
ing the advertisement of Cham-  
berlain's Colic, Cholera and  
Diarrhoea Remedy, I am re-  
minded that as a soldier in  
Mexico in '47 and '48 I contracted  
Mexican diarrhoea and this  
remedy has kept me from get-  
ting an increase in my pension  
for on every renewal a dose of  
it restores me." It is unequalled  
as a quick cure for diarrhoea and  
is pleasant and safe to take. For  
sale by M. L. Marsh druggist.

## FISH CHOWDER.

How to Make This Delectable Dish  
in True Nantucket Style.

For a medium sized codfish take  
about one-half pound of clear salt pork.  
Cut the pork into slices. Fry it  
crupe. If you have a large round bot-  
tomed pot to make the chowder in, it  
is well to begin by frying the pork in  
it, but if you only have the ordinary  
range pots a splder will be more con-  
venient for frying.

When the pork is crisp and brown,  
take it out of the fat and put into the  
fat two or three onions, sliced. Let  
the onions fry till brown, being very  
careful not to let them burn. Stir them  
well, and they will not burn. A sure  
way to prevent burning is to add a  
little boiling water to the fat before  
the onions are put in. But in that case  
they will not brown. Cook until soft.  
Turn the onions when done into the  
pot in which the chowder is to be  
made. Pour in the fat, also, but do not  
put the pork in unless you like it. If  
you like the pork, chop it fine before  
frying.

Cut the fish into convenient pieces.  
Put them into the pot with the fat and  
onions. Pour in boiling water until  
the fish is covered and the water stands  
three or four inches above it. As the  
water boils away add a little more,  
taking care that it is boiling hot. Cook  
until the fish is done, which will be  
about twenty minutes. Have ready a  
thickening made by mixing three heap-  
ing table-spoonfuls of flour very smooth-  
ly with a little water; then add a half  
pint more of water or milk with salt  
and pepper to season. Turn this into  
the chowder, stirring carefully until  
well blended. Let it boil up once, and  
the chowder is done.

## A Profitable Investment.

"I was troubled for about  
seven years with my stomach  
and in bed half my time," says  
E. Demick, Somerville, Ind. "I  
spent about \$1,000 and never  
could get anything to help  
me until I tried Kodol Dyspepsia  
Cure. I have taken a few bot-  
tles and am entirely well." You  
don't live by what you eat,  
but by what you digest and assim-  
ilate. If your stomach doesn't  
digest your food you are really  
starving. Kodol Dyspepsia  
Cure does the stomach's work by  
digesting the food. You don't  
have to diet. Eat all you want.  
Kodol Dyspepsia Cure cures all  
stomach troubles.—Gibson Drug  
Store.

If the United States is to take  
her stand among the great nations  
of the world we see no reason  
why she should not be repre-  
sented at the coronation of King  
Edward, and if we are to send  
envoys we should send them in  
style.—Durham Herald.

## Child Worth Millions.

"My child is worth millions  
to me," says Mrs. Mary Bird of  
Harrisburg, Pa. "yet I would  
have lost her by croup had I not  
purchased a bottle of One Minute  
Cough Cure." One Minute  
Cough Cure is sure cure for  
cough, croup and throat and  
lung troubles. An absolutely  
safe cough cure which acts im-  
mediately. The youngest child  
can take it with entire safety.  
The little ones like the taste and  
remember how often it helped  
them. Every family should  
have a bottle of One Minute  
Cough Cure handy. At this  
season especially it may be  
needed suddenly.—Gibson Drug  
Store.
