EXPERTS NOT EXPERT.

We remember to have noticed that the board of health ordered the revolution at Greensboro cut or lowered at least. It caused a lawsuit, as the Revolution and the Proximity mills were dependent on it. On the trial, says the Record, experts testified that drainage of the swamp lands above could not be effected unless the dam was lowered. Mr. Cons, however, believed differently and bought the land and has drained it completely and demonstrated his contention in disobeying the order and appealing to court. While it is not certain how the jury will decide at the next trial it seems that the mills and all the employees thereof will hardly be interfered with.

Notwithstanding there were 150,000 freight cars built last year in the United States it is estimated that the railroads lost \$30,000,000 because of the scarcity of freight cars. It takes a genius to make a clear explanation of the situation and give the certain cause for this effect.

The machinist's strike at Spencer has just this week been declared off. The members in meeting assembled asked the officials of the Southern not to discriminate against those who participated in the strike. It is probable that a little of this feeling at the right time would have averted the strike from the first.

There is a good deal said about the penitentiary farming, and that it will not meet expenses. What about Gus Leazer's offer to give bond to make it pay for the next ten years? He made the proposition but the fusion legislature dispensed with him and we have had no success since. He should have been allowed to keep it. We admit, however, that if he is the only man that could run it successfully it were as well to contemplate some plan to employ convicts at something several can manage. We certainly blew out the gas, though, when Leazer's proposition was rejected.

Mob Failed to Get Victim.

A mob attacked the jail at Maysville, Ky., on Wednesday, the 15th, to get Charles Gaskins a negro, charged with the murder of James Ryan, white, but were foiled and driven off. More trouble is feared.

Robbers Were Masked.

Burgaw, N. C., Jan. 14.—On Friday night there was a bold robbery here on which the victim was 70 years old. Mr. I. H. Lamb was called to his door, where several masked men seized him, and with pistols at his head demanded his money. He refused and they gagged him and ransacked the house, obtaining nearly \$300. They threatened to come back and kill him if he told, but on Saturday night he did. There is no clue to the robbers.

City Ownership Profitable.

The Greensboro Record was a strong advocate of the city's owning her water works and claimed that it would be a profitable investment. It has the satisfaction of seeing its calculations verified with a profit to the town for the first four months ownership of about \$4,500. The Record believes that when the works are extended as they will be that there will be a profit of \$5,000 per year.

Opening of Winter Tourist Season

The Southern Railway, which operates its own lines over the entire South and forms the important link in the great highway of travel between the North and South, Florida, Cuba, Mexico, the Pacific Coast and Central America, announces for the winter of 1901 and 1902 the most superb service ever offered. Its splendid regular service will be augmented by the Southern Palm Limited, a magnificent Pullman train, which will be operated between New York and St. Augustine, Florida.

John B. Clark expressed his belief in The Atlantic Monthly that a hundred years hence Manhattan Island will have streets in several stories, and that rifles, cannon, war ships and the wasteful burning of coal to make steam will be things of the past.—Trojan's Nation.

Kodol Dyspepsia Cure

Digests what you eat. This preparation contains all of the digestants and digests all kinds of food. It gives instant relief and never fails to cure. It allows you to eat all the food you want. The most sensitive stomachs can take it. By its use many thousands of dyspeptics have been cured after everything else failed. It prevents formation of gas on the stomach, relieving all distress after eating. Dieting unnecessary. Pleasant to take.

It can't help but do you good. Prepared only by E. C. DeWitt & Co., Chicago. The \$1. bottle contains 2 1/2 times the 50c. size. Gibson's Drug Store.

A Profitable Investment.

"I was troubled for about seven years with my stomach and in bed half my time," says E. Demick, Somerville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles.—Gibson Drug Store.

Children Especially Liable.

Burns, bruises and cuts are extremely painful and if neglected often result in blood poisoning. Children are especially liable to such mishaps because not so careful. As a remedy De-Witt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "De Witt's Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mock, N. Webster, Ind. "The sores were so bad she soiled two to five dresses a day."—Gibson Drug Store.

"The best that a man can say about himself is a degree worse than the worse others can say about him."

Child Worth Millions.

"My child is worth millions to me," says Mrs. Mary Bird of Harrisburg, Pa. "yet I would have lost her by croup had I not purchased a bottle of One Minute Cough Cure." One Minute Cough Cure is sure cure for cough, croup and throat and lung troubles. An absolutely safe cough cure which acts immediately. The youngest child can take it with entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy. At this season especially it may be needed suddenly.—Gibson Drug Store.

To be prepared for war is one of the most effectual means of preserving peace.—George Washington.

Out of an Increase of His Pension.

A Mexican war veteran and prominent citizen writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48 I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension for an every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea and is pleasant and safe to take. For sale by M. L. Marsh druggist.
