THOSE UNFORTUNATE BOND SUITS

The long fought cases of the Stanly and Wilkes county bonds have been settled in favor of the bondholders by a decision handed down from the United States Circuit Court of Appeals at Richmond. These were very hard fought legal battles which it seems it were a great pity ever to have engaged in. The cost has doubtless augmented the debt which seems hard enough for the counties to pay as Stanly especially did not get the benefits of the bonds, but it would seem doubly hard for investors in good faith to be the losers.

President Roosevelt doubtless wishes to do entire justice in the case of Admiral Schley and therefore shut himself up with Evans, the commander of the Iowa; Taylor of the Indiana; Clark, of the famous Oregon, and Wainwright, of the Gloucester, on the 3rd and denied all callers admission to give it due consideration. But what can he do to give satisfaction to people who know how it ought to be before the President can weigh the merits of the case.

The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C D Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until on day I was in the drug store of Mr. Houlehan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy and have since always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by M L Marsh's Drug store.

"If a play where the heroine's husband is a scoundrel, the women who see it always feel vindicated, no matter how good their husbands are to them or how much they love one another."

The greatest danger from colds and la grippe is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. It will cure a cold or an attack of la grippe in less time than any other treatment. It is pleasant and safe to take. For sale by M L Marsh's Drug store.

Silk Culture in North Carolina.

The recent publication in the Bulletin of an article on silk culture in North Carolina has already borne fruit. Several requests have been received from persons at a distance for copies of the Bulletin, one coming from the State of Michigan, and one from a Company in New York which possesses ample capital and which proposes to establish silk farms and silk mills in some of the Southern States, where suitable land can be had at a reasonable price, and where convenient power may be available when needed. If North Carolina can secure the location of this Company it means the opening of a new and very important industry for the State. Letters received at the Department of Agriculture from this Company declare the purpose of the President and other officers to visit North Carolina, and perhaps other Southern States, at an early date, for the purpose of examining lands and mill sites; for observing climatic conditions, adaptability of the land for growing mulberry trees, and to secure such other information as they may desire with reference to establishing their business.

It is desirable to have descriptions of land which are for sale, and upon which the Chinese mulberry thrives. The owners of such land are requested to file with the Department descriptions, including the present condition of land and buildings, distance from railroad accessibility to water power, how much cleared and uncleared land whether any Chinese or white mulberry trees are now growing upon the land, price, etc.

In this connection the Department desires to secure the names of persons in the State who have had personal experience in growing silk worms, and who might desire to produce raw silk for the new Company. Please send descriptions of properties for sale and names of silk growers to the undersigned, care of the Department of Agriculture, Raleigh, N. C. Gerald McCarthy, Botanist & Biologist.

The Last Heard of It.

"My little boy took the croup one night and soon grew so bad you could hear him breathe all over the house," says F D Reynolds, Mansfield, O. "We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it.—Gibson Drug Store.

M L Marsh's the druggist, will refund you your money if you are not satisfied after using Chamberlain's Stomach and Liver Tablets. They cure disorders of the stomach, biliousness constipation and headache. Price, 25 cents. Samples free.

BOAT BOILER EXPLODES.

Hurls 14 Men in Every Direction—Three or More Fatally Hurt.

The Pittsburg harbor tow-boat, J. W. Ailes, was destroyed at 1:15 this, Wednesday, morning by an explosion of her boiler. She had a crew of fourteen, who were thrown in every direction. Three are known to have been fatally injured and five others had been accounted for at an early hour. Capt. Shaw, who was asleep, awoke to find himself 200 feet away struggling in the water with his blanket still on him. The Ailes was practically new and there is no accounting for the accident.

The vessel took fire and burned quickly to the water's edge.

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M S Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure, which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily. "You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food.—Gibson Drug Store.

Tot Causes Night Alarm.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Snider, of Crittended, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Infallible for Coughs, Colds, Throat and Lung troubles. 30c and \$1.00. Trial bottles free at Fetzer's Drug Store.

"A man may be known by the company he keeps, but he is seldom found out before about six months after the wedding."

A Convincing Answer.

"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for a long time, I told him I had no faith in any medicine as they all failed. He said, 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by M L Marsh's Drug store.
