TELEPHONE NO. 71.

CONCORD, N. C., Feb. 22, 1902

The electric headlight is being improved so that there need be no such thing as railroad collisions at night. The light that seems now coming will illuminate the track a mile and throw a beam 700 feet high which can be discovered ten miles away. Unfortunately though collisions do not all occur at night.

W H Fogler, for his drunken quarrelsome humor at Spencer on January 27th, in which he killed Rob't. Moore, has twelve years to work in the penitentiary. Through these twelve years he will doubtless carry with him the memory of a mother whose heart broke in convulsions of the deepest grief at his terrible deed and its results to him and her. But the lesson will have little effect on those who dabble with intoxicating beverages in self-confidence against the ever demonstrated certainty that as a master there is no greater enemy to man and the trouble is that the line of servant and master is incomprehensible to certain temperaments.

He Kept His Leg.

Twelve years ago J W Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation "but," he writes, "I used one bottle of Electric Bitters and 1-2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them. Fetzler's Drug Store will guarantee satisfaction or refund money. Only 50 cents.

Creamery for Mooresville.

Mooresville has gone into the organization of a creamery with S A Lawrence, president; J A Stewart, vice president; R M Harris, secretary and treasurer. It is the purpose of the board of directors to secure a lot and erect the buildings at an early day.

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M S Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure, which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily. "You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food.—Gibson Drug Store.

North Carolina Postal Clerk Stricken With Smallpox on His Honeymoon.

Arthur B Craver, of Lexington, N. C., a postal clerk on the Southern Railway, became ill a few days ago in this city and was sent to the smallpox hospital yesterday when it became evident that he was suffering from a mild attack of that dreaded disease. His bride is closely quarantined at 810 Fifth street northwest, where the couple have resided since their arrival in the city. Craver was married in December and came to Washington with his bride to live. His route lay between this city and Charlotte, N. C., and he traveled it regularly until several days ago, when he became ill. Dr. Walter C Murphy was called in to see the patient yesterday, and, becoming suspicious that the case was one of smallpox, he called in Dr. Llewellyn Elliott, who concurred in the opinion of the first physician. Dr. Fowler, of the health department, was summoned, and, recognizing the character of the disease, ordered the patient removed to the smallpox hospital.—Washington Post of 19th.

Saved Him From Torture.

There is no more agonizing trouble than piles. The constant itching and burning makes life intolerable. No position is comfortable. The torture is unceasing. DeWitt's Witch Hazel Salve cures piles at once. For skin diseases, cuts, burns, bruises, all kinds of wounds, it is unequalled. J S Gerall, St Paul, Ark., says: "From 1865 I suffered with the protruding, bleeding piles and could find nothing to help me until I used DeWitt's Witch Hazel Salve. A few boxes completely cured me." Beware of counterfeits.—Gibson Drug Store.

Man Drawn Between Heavy Rollers.

Cicero Crow, a young white man, was oiling machinery in the Birmingham roller mills on the 20th when his clothing was caught and he was drawn through between two heavy iron rollers, crushing him in frightful manner.

Sick Made Well—Weak Made Strong!

MARVELOUS ELIXIR OF LIFE DISCOVERED BY FAMOUS DOCTOR SCIENTIST THAT CURES EVERY KNOWN AILMENT.

Wonderful Cures Are Effected That Seem Like Miracles Performed—The Secret of Long Life of Olden Times Revived.

The Remedy is Free to All Who Send Name and Address.

After years of patient study, and delving into the dusty record of the past, as well as following modern experiments in the realm of medical science, Dr. James W. Kidd, 2861 First National Bank Building, Fort Wayne, Ind., makes the startling announcement

DR. JAMES WILLIAM KIDD.

that he has surely discovered the elixir of life. That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous. Partial paralysis, locomotor, ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

Mr. George Ritchie, of Govern, is in the city today (Saturday.)

Lonely Homes

A home is never complete without children. Yet many homes are childless. Many wives are desolate for the lack of a child to love. Their lives are aimless—void of the high motives of motherhood. While barrenness is causing incalculable sadness and sorrow, it exists in most cases on account of some little female trouble, which Wine of Cardui would speedily set right. This pure Wine regulates the disordered female organs by building up the worn out nerves and regulating the menstrual flow. It restores the fallen womb to its proper place. By strengthening the generative organs, it makes pregnancy possible where barrenness exists. You can depend on

WINE OF CARDUI

Suffering women all over the land have been depending on it for seventy-five years. No more convincing proof can be given than the testimony of Mrs. Benson, who is only one of thousands of women to whom Wine of Cardui has brought a permanent cure. Many cases of miscarriage—that trouble which robs mothers of their hopes—have been avoided by timely use of the Wine. You are asked to try Wine of Cardui and Theford's Black-Draught, its companion medicine. Nine out of ten cases of female troubles, barrenness included, yield to them. All druggists sell \$1.00 bottles of Wine of Cardui.

Vanderhoort, Ark., April 2, 1902.

Last May I had a miscarriage, which was followed by flooding. I read your Almanac and my husband got me a bottle of Wine of Cardui and so stopped my flooding and restored my fallen womb to its place. Now I am saved after taking three bottles and have another to take which I got this morning. I am expecting to become a mother and Wine of Cardui will be my doctor.
