METEOR LAUNCHED.

Miss Roosevelt Christens the Emperor's Yacht—Receives Beautiful Bracelet With Emperor's Likeness in Diamond—Day of National Felicitation.

The launching of the Meteor on the 25th at Shooter's Island, New York, was a magnificent affair and was full to overflowing of timely national friendship culture.

Miss Alice Roosevelt, at the proper time raised a bottle of champagne and dashed it into spray against the side of the vessel saying, "In the name of the German Emperor I christen thee, Meteor," then with silver hatchet she cut the rope and the Meteor slid into the water.

After the booming of cannon, the shrieks of whistles, the blasts of bands and throat-tearing cheers of the people, Prince Henry, with the President and family and the retinues of the President and Prince, repaired to the Hohenzolern where the Prince gave a lunch and speeches of felicitation were freely passed around.

A pretty part was the presentation to Miss Roosevelt of a bracelet from the Emperor with his own likeness set in diamond.

While the luncheon was going on a cablegram was received from the Emperor to President Roosevelt and wife and daughter which they answered in a few sentences. He started the message when Mrs. Roosevelt took pencil and paper continued the sentence, then Miss Roosevelt took them and finished.

Later the Prince was received by the City Council of the great metropolis and was tendered the freedom of the city.

College Faculty Resigns.

The entire faculty of N. C. College has tendered its resignation to the board and the latter is called to meet on the 4th of March to consider the resignations and other matters pertaining to the interests of the institution.

Fatal Train Collision.

Five men were killed and two fatally injured by a head-on collision of trains near Auburn, New York, on the 25th. There was a sharp curve and both trains were at full speed.

The Rev. W. A. Lutz will sell his household and kitchen furniture on Friday, the 7th day of March, at his home in Mt. Pleasant. It will consist of a fine piano and elegant suits of furniture, cooking and heating stoves, an abundance of table ware, etc., needed for running a college boarding department. There will be many good bargains, no doubt.

The sale will begin at 1 o'clock p. m.

THE YADKIN TO BE HARNESSÉD.

That Great Water Power Will be Developed Soon by the Whitney Reduction Company and Power Sent Out for 80 Miles Around—\$5,000,000 to be Spent.

The Whitney Reduction Company seems to have the biggest enterprise in the State on hand. It is a gigantic work indeed. The immense power there is on the Yadkin about the Falls and Narrows is to be harnessed and made to turn wheels that will generate electricity to light and run machinery throughout a circuit with a radius of 80 miles.

It is proposed to furnish power at greatly reduced rates and the years may not be distant when all our power for running machinery here will come from that great center.

The company, it is said, will spend \$5,000,000 as an outlay.

The dam on the Yadkin will necessarily be a great engineering feat. It will be 1500 feet long, 40 feet high and 50 feet thick at the base. It is calculated that 46,000 horse power will be available to run machinery.

The railroad from New London to the Narrows is now being built.

There will be large factories at New London run by the company.

Its mines and quarries also will utilize this great water power on the Yadkin.

Mr. Delp Hamilton Goes West.

We notice from the Spartanburg correspondence to the Charlotte Observer that Mr. A. A. Hamilton, former night operator and agent for the Southern at the Spartanburg Junction, has secured a position in Sante Fe, N. M. in the drug business. Mr. Hamilton is a Concord boy and we wish him well.

Mrs. Soffel Removed to Pittsburg.

Butler, Pa., Feb. 25.—Mrs. Kate Soffel, wife of the Pittsburg jail warden who assisted in the escape of the Biddle brothers, and was wounded during the battle when they were recaptured, was removed from the Butler Hospital this morning and taken to Pittsburg by County Detective Robinson. She had fully recovered from her wounds. Three charges have been made against her, one alleging the crime of aiding in the escape of murderers and two alleging felonious assault and battery.

While Wise Doctors

are studying the bacillus of consumption, thoughtful laymen realize that a bad cold accompanied by coughing, sore throat and tightness across the chest is too serious a matter for delay or experiment. They also realize that Allen's Lung Balm cures common cold in a day or two. Obstinate cases take more time, of course.

A Stephen Phillips Evening.

The Julia Magruder Club met yesterday with Mrs. R. S. Young. This meeting was devoted to the study of Stephen Phillips—that bright, particular star in the Poetic Realm. Mrs. Young read an interesting sketch on his life and works. Mrs. L. D. Coltrane read "Marpessa". Her rendition of this wonderful story of the victory of human love over that offered to Marpessa by the gods, brought out all the hidden beauty of the celebrated poem—and she was listened to with wrapped attention by all present.

Mrs. Young read a paper on "Cathedrals in Canada," which was doubly interesting from the fact that she described what she had seen and gave her impressions of these famous churches.

After the literary feast the most beautiful and sumptuous culinary feast was served. The table heralded the approach of spring—it was aglow with beautiful flowers and with the dainty plate cards were laid fragrant carnations for each guest.

A charming memory is this club meeting. X.

A Convincing Answer.

"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said, 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by M. L. Marsh's Drug store.

"How many of our good resolutions are like the seed that was sown on stony ground! They are not deeply rooted in our hearts and die out before they amount to anything."

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure, which I did with most happy results: I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily. 'You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food.'—Gibson Drug Store.
