## NOTES FROM THE ORGAN.

Four Dollars a Bushel for Oats—Seed Badly Needed—Wheat Looking Bad—Two Most Valued Citizens Called Suddenly Away—Magic Healer in Evidence—Last Week's Storm Severe—A Marriage.

Organ Church, March 4, 1902.

We heard one of our farmers last week offering four dollars a bushel for seed oats, or something to that effect. He said he would give an acre of fall sown oats, which, counting preparation of land, seed and fertilizer, cost him four dollars for a bushel of oats to sow his spring crop. He got no oats. The trouble is our farmers sowed a large acreage in oats last fall. The severe winter killed it and now they have none left for seed.

The early sown wheat looks tolerably well or at least you can see there is something on the ground, while the later sowing has been almost, if not entirely, killed while the still later sowing, that that came up since Christmas has a fairly good stand.

On the whole the outlook for a wheat crop in our red land section is gloomy indeed.

Mr. John Hartman, the Magic healer, has located in our midst and hung out his shingle, so to speak, and is kept quite busy. He makes a specialty of chronic cases, consumption, epilepsy, etc. He being in our "burg" but a short time we are not able to say what success will crown his labors.

Mrs. Laura Holshouser, wife of Mr. Eli Holshouser, while visiting at her son's, Mr. "Gus" Holshouser, became suddenly ill with a pain in her right arm, which soon developed into erysipelas of the bone, causing her death in a few days. She died last Wednesday at 8 p. m., and her mortal remains were laid to rest in the cemetery at Organ Church. Rev. G. H. Cox, D. D., conducting the funeral services. While these services were going on tidings came to the church that Mr. Henry Klutz had been stricken, while sitting on a chair reading, with something like paralysis. His wife and brother, Mr. Wiley Klutz, hurried to his bedside to find him in an unconscious state. He remained unconscious until death, which occurred about 10 o'clock p. m. Dr. McNairy was called but did not get there till after he was dead. In his post mortem examination he decided he had meningitis. His body also was buried at Organ church.

Organ church has lost two members that will be sadly missed. Mrs. Holshouser had passed the sixty-third milepost in her earthly pilgrimage. She was one of the original members of the Woman's Home and For-

eign Missionary Society, organized more than ten years ago.

Mr. Klutz was past fifty-five. He was always ready to work for his church. He served two years as deacon, which office he filled very faithfully.

Miss Alice Cruse, of near Govern, is visiting at the home of her uncle, Cable Cruse. Miss Cruse is a very sociable young lady and we are always glad to have her with us.

Mr. Nimrod Barger sold some of his personal property last week. He is going to move to China Grove where his children will work in the cotton mill.

Our section was visited with a severe rain storm last Thursday night, blowing down fences, fruit trees, etc. Mr. G. M. Fisher's dwelling house was moved several inches on the foundation.

Miss Kate Barger has been suffering for several days with a felon on index finger on right hand.

Married—At the parsonage last Sunday at 4 p. m., Mr. Charles Rodgers, of China Grove, and Miss Minnie Josey, of Organ church, were united in the bonds of matrimony, Rev. Mr. Cox officiating. B.

## YOUR MITE WILL BE RECEIVED

For the Jefferson Monument Fund—Bring Your Penny on the 14th.

By authority of the School Board, which met Tuesday and took action in the matter, I, as director of the Jefferson Davis Monument Association for North Carolina, ask the children of the city schools for a penny contribution for this cause.

Come with your mites Friday, the 14th of March, and show your patriotism by your willingness to help build a monument to the only President of the Confederacy, which will not only honor him, our great leader, but the cause he represented, dear to every true Southern heart.

This contribution is entirely voluntary but we earnestly hope every child will understand and contribute gladly, proudly to this monument.

MRS. JNO. P. ALLISON.

It was "Bud" Pearson the Robber.

The Standard was in error Tuesday in calling the negro boy who robbed Mr. Ed White's safe Robert. He is called "Bud." His real name is not well known and is not worth inquiring for. He seems to be a bold young rogue who is ripening for a very bad end.

Mr. Walser appointed.

Mr. J. G. Walser, who is well known in Salisbury, has been appointed postmaster at Lexington. The appointment was made yesterday.—Salisbury Standard, 4th.

## FIRE AT GRAHAM.

Oneida Cotton Mill Has a Blaze—Dye House and Dry House Burn—Narrow Escape From Greater Losses.

A Burlington special of the 4th to the Charlotte Observer says:

"Fire broke out in the drying room of the Oneida Cotton Mill, at Graham, this evening about 7:30 o'clock and before help could get to the scene had totally destroyed the dyehouse and drying room and all the contents and partially burned the quilting room, boiler room and contiguous buildings. When the fire was discovered it had spread all over the dry room, which was filled with lint cotton, and rapidly spread through to the dry-house. From the dry house it went into the quilting room and soon the flames were bursting through the windows and it seemed that the entire mill was doomed. Just at this time the automatic sprinklers burst in the quilting room and the fire in that room was speedily subdued. The boiler room then caught, but the heroic efforts of the volunteer fire brigade soon subdued it, and the fire was then under control."

Greensboro was called on for help but the fire was subdued before it could reach Graham.

The origin of the fire is not known.

The losses are estimated as high as \$50,000.

## DEATH AT BALA MILL.

Mr. Adolphus Alexander Dies at 4 a. m. This Morning of Consumption.

Mr. Adolphus Alexander, son of Mr. D. Lindley Alexander, died at Bala Mill this (Wednesday) morning at 4 o'clock of consumption, growing out of grip contracted about a year ago.

He was 19 years old and was a very much respected young man though he had not connected himself formally with the church.

The funeral will be conducted by the Rev. G. H. Cornelson at 10 a. m. Thursday.

The community extends profound sympathy to the bereaved family and it is felt that a very promising member of society has been removed from the stage of usefulness.

## Changes at North Carolina College.
