TELEPHONE NO. 71.

CONCORD, N. C., March 5, 1902.

A New York dispatch of the 3rd says all grades of refined sugar have been reduced five points. This may be called sweet news.

Mr. J B Swann, the business manager, is to be congratulated that he floated the Madison County Record over the great flood and brought out the issue this week as usual.

Don't forget that if you can read and write ever so well, if you don't pay your poll tax before the first of May you can't vote and some candidate friend will need your vote.

It seems that Mr. Mullen had the Charlotte postoffice again by the grace of many friends who plead for him but he got too boozily triumphant and now Mr. D Kirby Pope may muse that what one man's drunk is another man's gain.

The State Good Roads Association, which organized recently at Raleigh, has requested each county to contribute \$10 toward the necessary expenses of the association in the consummation of its great end. On Monday Col. P B Means appeared before our commissioners at the request of President Haynes and presented the matter to them. They promptly voted the amount and sent it on. This seems to us worthy of compliment to the board and it will be readily sanctioned by the people, who now regard the good roads movement about paramount to all other public considerations.

Could Not Breathe.

Coughs, colds, croup, grippe, bronchitis and other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquifies the mucous, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace J Q Hood, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family."—Gibson Drug Store.

"Lend a man a dime and the next time he will strike you for a dollar."

Headache often results from a disordered condition of the stomach and constipation of the bowels. A dose or two of Chamberlain's Stomach and Liver Tablets will correct these disorders and cure the headache. Sold by M. L. Marsh, druggist.

ABOUT DOOR NUMBERS.

Every 25 Feet Allowed a Number—Even Numbers on One Side, Odd Numbers on the Other.

Now that the houses in town are numbered, a little explanation may be advantageous to the people who try to trace out the consistent relation in the numbering.

It is contemplated that no changes are ever to be needed after the first numbering. It is also contemplated that all towns will or may be built compactly some day.

Therefore the numberer starts from a given point and places the even numbers usually to the right and the odd numbers to the left and counts a number to every 25 feet of front, sometimes every 20 feet. If the spaces are ever filled with houses the numbers are put on without changing other people's numbers.

This changelessness is a necessity where there is free mail delivery. The carriers, having learned the numbers, are never disturbed with having to unlearn them. The numbers are thus fixed as the stars themselves and are orderly and easily traced.

Thus, suppose you are at No. 2 and you wish to find No. 12, you need not look across the street but having found what direction the numbering goes count about ten spaces of 25 feet each, numbering them 4, 6, 8, 10, 12 and you are where you wish to go.

Surgeon's Knife Not Needed.

Surgery is no longer necessary to cure piles. DeWitt's Witch Hazel Salve cures such cases at once, removing the necessity for dangerous, painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeits.—Gibson Drug Store.

Carriers' Salaries Increased.

The salaries of the rural free delivery carriers in North Carolina have been increased 20 per cent. This means that the carriers will receive \$600 per year instead of \$500 as heretofore decided upon.—Salisbury Sun of 4th.

NORFOLK IN THE HANDS OF A MOB

Five Thousand Strike Sympathizers Defy the Police—Martial Law May be Declared.

A Norfolk dispatch of the 4th says, that city is practically in the hands of a mob of 5,000 strike sympathizers and that the police are practically powerless. Some violence has occurred but nothing very serious has yet occurred. Martial law will be declared if the excitement does not subside.

Remarkable Cures of Rheumatism.

From the Vindicator, Rutherfordton, N. C.
The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by M. L. Marsh, druggist.

22 Prisoners.

Jailer Krider has an unusually large number of prisoners in jail for the second week after the adjournment of court. There are 20 in the jail—6 of them women—and 2 in the county asylum.—Salisbury Sun.

A Raging, Roaring Flood.

Washed down a telegraph line which Chas. C. Ellis, of Lisbon, Ia., had to repair. "Standing waist deep in icy water," he writes, "gave me a terrible cold and cough. It grew worse daily. Finally the best doctors in Oakland, Neb., Sioux City and Omaha said I had Consumption and could not live. Then I began using Dr. King's New Discovery and was wholly cured by six bottles." Positively guaranteed for Coughs, Colds and All Throat and Lung troubles by Fetzler's Drug Store. Price 50c.

The House Burned in Shelby.

The fine house and home of Dr. J H McBrayer, of Shelby, was burned to the ground at 4 a. m. Tuesday. The flames started up stairs and had a fearful start when discovered.

Beauty is Health.

Walnut Lake, Ark., June 2, 1900.

I thank you for the benefit I received from your advice and the Wine of Cardui I took in my terrible condition. My life was no pleasure to me at all and I was of no use to anybody. After receiving your advice and medicine I commenced taking it and began immediately to improve. The pains left me and the menses, which came at the correct time, continued three days. I have gained strength and my weight has increased. My husband says the medicine has made me better looking than ever before.

Mrs. LIZZIE MANNELL.

Womanly health means bright eyes, rosy cheeks, clear complexion and elasticity of form. This is the youth unmeasured by years—the beauty of perfect womanhood. Beautiful women are happier and get more out of life than their sisters whose faces indicate suffering. Wine of Cardui made Mrs. Mannell "better looking" and infinitely happier because it cured her of those terrible pains. But she is no exception.

WINE OF CARDUI

is giving thousands of women health, beauty and freedom from the dragging pains which made their lives so miserable. Wan faces, haggard eyes and emaciated forms are the results of suffering. What suffering can compare with the torture of irregular menstruation, leucorrhoea and falling of the womb! Beauty flees quickly before the ravages of such disease. The sharp pains of falling of the womb deepen the crow's tracks in the face. Menstrual irregularities rob the eye of its fire and the complexion of its transparency. Leucorrhoea drains the body of its strength, but Wine of Cardui restores the natural beauty, brightens the eye, clears the complexion, rounds out the figure and brings back the vigor of health. Every druggist in this city handles \$1.00 bottles of Wine of Cardui.

Wood's Seeds.
Va. Second Crop Seed Potatoes.
These are the result of growing two crops in the same year, the first being planted from select Maine Seed Potatoes, and the seed selected from this crop planted again in July of August. They not only make their crop earlier, but they also make a larger yield and much surer crop than Maine Northern-grown Seed.
Our stock is very superior and we always ship in full-sized double-head barrels. Wood's 1902 Descriptive Catalogue gives very interesting information about Potatoes. Mailed upon request.
We have also large stocks of the best MAINE and NORTHERN-GROWN SEED. Write for special Potato price-list.
