Now let the storm cease and calm prevail, the House committee have voted 7 to 4 to sustain the President in the Schley controversy and drop the matter.

Judge Jones in charging the jury in the Wilcox case said that to convict the defendant they must find the evidence consistent with guilt and inconsistent with innocence. This seems very sound and it makes it quite possible to convict Wilcox.

And still the Mullen case is on and it is hoped by him and his friends that he will pull through and keep the Charlotte post office. The President has fixed upon next Tuesday for the final decision. It takes a good long time and a whole lot of trouble to get over a spree some times.

At Alkin, S. C., Mr. L. R. Week was recently set upon when asleep and taken out by five men and brutally whipped. The charge against him was that he was suspected of informing the revenue officers of an illicit distillery. If he could be certain of his assailants he might go gunning to advantage.

Remarkable Cures of Rheumatism. From the Vindicator, Rutherfordton, N. C.

The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by M. L. Marsh, druggist.

Two farmers in Kansas traded children recently, one man giving a ten-year-old son and a load of corn for a thirteen-year-old daughter, and the transaction was made a matter of record in the county clerk's office. Both families are well-to-do and the reason for the trade was that on had no sons and the other no daughters.—Anderson Intelligencer.

Headache often results from a disordered condition of the stomach and constipation of the bowels. A dose or two of Chamberlain's Stomach and Liver Tablets will correct these disorders and cure the headache. Sold by M. L. Marsh, druggist.

INSTITUTE AT ROCKY RIVER.

The Closing of the Series—Four Addresses Well Received.

The last of the season for township institutes was held by Superintendent Boger on Friday at Rocky River church.

It caught the farmers busy and the audience was not very large but those in attendance enjoyed a rare treat and were very appreciative of the splendid exercises.

Rev. W. H. Hiller made the first address advocating compulsory education. Prof. Coler followed on the dollars and cents value of education and was followed by Mayor Stickley on the subject "Progress of Education in the State." Superintendent Boger closed with "Why We Should Educate."

The meeting was all that could be expected for the season. The productions were well received.

White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw, he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 50c. Sold by Fetzer's Drug Store Druggist.

Homicide in Wake.

Quincy S. Adams shot and almost instantly killed John Nipper in Barton Creek township, Wake county, on Friday. The coronor's jury says it was self defense and released the young man, who gave himself up at once when the deed was done. Nipper was drinking and was overbearing, striking Adams and his mother with a rock, when the young man gave him the contents of his shot gun.

Practically Starving.

"After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate, insurance and loan agent, of Macomb, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief." You don't have to diet. Eat any good food you want, but don't overload the stomach. Kodol Dyspepsia Cure will always digest what you eat.—Gibson Drug Store.

"Never lose your head; it's bad. But when an entire board of aldermen lose theirs it is still worse."

For the Complexion.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unrightly eruptions. DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or disgust. Safe, thorough and gentle. The very best pills.—Gibson Drug Store.

Floor Gives Way.

The Salisbury Sun says the floor of the old Lanier warehouse gave way Thursday night and the contents consisting of mowers, reapers and binders, grain and lumber all went down in a heap. The building was occupied by the Rowan Hardware company. The floors were overloaded. The damage to machinery was probably considerable.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advance stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by Fetzer's Drug Store. Trial bottles free.

The Judges Have Decided.

At the grand show down of the toilet soaps of the world at the Paris Exposition, the judges decided after carefully considering the merits of all, that COLGATE'S TOILET SOAPS ARE THE BEST. These peerless Toilet Soaps are for sale at Fetzer's Drug Store. They sell Colgate's line exclusively.

Joints Like Rusty Hinges

are among the consequences of rheumatism. The sufferer can move knees and elbows, but the effort makes him wince. He rejoices when a good rubbing with Perry Davis' Painkiller drives the stiffness out and brings the freedom of motion back. No wonder our grandfathers believed heartily in this beneficent liniment. There is but one Painkiller, Perry Davis.

"Men may pretend that they like to have their wives dress for sense and comfort, but the times when they give them an extra allowance are when they come home and see them in something mighty foolish but mighty pretty."

Mrs. C. E. VanDeusen, of Kilbourn, Wis., was afflicted with stomach trouble and constipation for a long time. She says, "I have tried many preparations but none have done me the good that Chamberlain's Stomach and Liver Tablets have." These Tablets are for sale at M. L. Marsh's drug store. Price, 25 cents. Samples free.
