RESPOND TO THEIR CALLS.

Note that the festival by the Daughters of the Confederacy, is tonight. It is true that the promoters of every enterprise wish their particular claims emphasized, but this is one that we would gladly see emphasized and liberally patronized. All claim to honor and love the Confederate cause. While many of us do not see why \$35,000 is not ample for a monument to President Davis and the Southern Confederacy, the committees charged with the duty of making a statue that will be an honor to the President, the cause and the whole Southern people in that great struggle that challenges the admiration of the world even in defeat ask for suitable fund.

These committees conceived a monument to cost \$125,000.

The funds have come in slowly and the plan has been reduced for \$75,000 and our Southern women have been asked to engineer the work of getting up the funds. Now why not save from useless luxuries, if poverty is claimed, and respond to their calls without hesitation.

Give them due encouragement by a liberal response to every call.

Remember that he who takes no pride in a chivalrous ancestry will never do any thing worthy of the pride of posterity.

Attorney General Knox has proceeded to have suit brought against the beef trust. It is to be hoped that it will have a good effect on our breakfast steak, more steak for the money or less money for the steak.

Now that our townsman, Mr. H A Graeber, has attached an emery wheel to his sawing machine the use of second hand brick seems a solved problem. He can clean and dress them to taste.

Senator Money, of Missouri, got into a little scramble with a Washington street car conductor Thursday and got put off with two blows. He cut the conductor in the hand. He claimed the privilege of a transfer ticket that he did not have time to get and refused to pay or get off. So he was put off and missed his train for which he was heading for Baltimore. All this ado about a little Money, probably not over five cents at that!

BEST PAPER IN WHICH TO ADVERTISE.

The best paper in which to advertise is the one which possesses the confidence of the community in the highest degree. The high character of the paper will throw a mantle of credence over all the advertising in its columns.—Good Advertising, New York.

The Charleston News and Courier says Camp Hampton, United Confederate Veterans, of Columbia, have instituted a movement to erect a suitable equestrian statue to the memory of Gen. Wade Hampton. The News and Courier, however, thinks the movement hasty. There should be consultation and a decision on the location and style of the memorial that shall be the wish of the whole State and a monument or two monuments properly representing his in his military and civil spheres. Each was so conspicuous that there may not be a plan found to represent him in a single statue. Now that Hampton is dead and the Tiltman mania is on the wane, South Carolina will be apt to do well to the memory of her greatest son.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at Fetzler's Drug Store.

While Mr. Wilson's motives for bringing those charges may be questioned, this does not disprove them.—Durham Herald.

Wants to Help Others.

"I had stomach trouble all my life," says Edw. Mehler, proprietor of the Union Bottling Works, Erie, Pa., "and tried all kinds of remedies, went to several doctors and spent considerable money trying to get a moment's peace. Finally I read of Kodol Dyspepsia Cure and have been taking it to my great satisfaction. I never found its equal for stomach trouble and gladly recommend it in hope that I may help other sufferers." Kodol Dyspepsia Cure cures all stomach troubles. You don't have to diet. Kodol Dyspepsia Cure digests what you eat.—Gibson's Drug Store.

"Wise is the man who knows when to make a long story short."

Sayed Many a Time.

Don't neglect coughs and colds even if it is spring. Such cases often result seriously at this season just because people are careless. A dose of One Minute Cough Cure will remove all danger. Absolutely safe. Acts at once. Sure cure for coughs, colds, croup, grip, bronchitis, and other throat and lung troubles. "I have used One Minute Cough Cure several years," says Postmaster C. O Dawson, Barr, Ill. "It is the very best cough medicine on the market. It has saved me many a severe spell of sickness and I warmly recommend it." The children's favorite.—Gibson Drug Store.

What G Stands In Masonry:

An overgrown country boy, rough as to clothes and face, uncouth as to manner, entered a retail jewelry house the other day and timidly approached a clerk to whom he made known his wants in a low voice.

"What kind of a pin do you want?" asked the clerk, as he brought out a tray. The suburbanite looked the tray over and selected a Masonic pin.

"I'll take this he drawled, 'I'm a carpenter by trade; this here square and compass is all right, and any d—n fool knows that G stands for gimlet."

A Fireman's Close Call.

"I stuck to my engine although every joint ached and every nerve was racked with pain," writes C W Beilamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters and, after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by Fetzler's Drug Store. Price 50 cents.
