## AT THE CLUB ROOMS TONIGHT.

The Business Men of the Town Urgently Requested to Attend the Meeting Tonight—A Movement for the Best Interests of the Town.

Looking towards an organization of the business men of the town and for its best interests, our foremost movers have for some time been agitating the organization known very often as a chamber of commerce. Though this name will not be adopted, as we are not ready for that, it is the intention of the New South Club as an additional feature to have an industrial committee. On last Friday night they met and appointed three but three more will be appointed making the number six. The New South Club throws open its doors tonight to every business man of our town and urges that he come and unite in this movement.

The three already appointed on the committee are Messrs. M H Caldwell, Jno. C Wadsworth and H L Parks. The hour for the meeting tonight is 8.30 o'clock.

## Better Roads Desired.

MR. EDITOR:—I notice a call issued in The Standard for the purpose of organizing a Good Roads Association. This organization I verily believe is the first step in the right direction for the betterment of our public roads. It is very evident to most people at least that we should have better roads, that the times and country demand them and, we as citizens, are in duty bound to build them. Therefore let us be up and doing, bestir ourselves to a demanding duty, push forward the Good Roads movement to a crowning success. Let us have a full house, those who have plans place them on record, and those who have none show their approval by their presence. More anon.

I want to express my most sincere thanks to our kind neighbors and friends for the many kindnesses received and for the profound sympathy expressed during the recent sickness and death of my wife. Friends, your kindness and sympathy are appreciated more than words can express.

## HON. J. STERLING MORTON DEAD.

Had Been Sick for Several Weeks—The Ex-Secretary of Agriculture in Mr. Cleveland's Cabinet.

Chicago, April 27.—Hon. J Sterling Morton, former Secretary of Agriculture, died this afternoon at the home of his son, Mark Morton, at Lake Forest, Ill.

For several weeks Mr. Morton had been gradually failing. The nature of his illness had not been determined, and a week ago he was brought from his home at Nebraska City to Lake Forest for medical attendance. The change brought no improvement and he failed gradually until death came.

The arrangements for the funeral are yet incomplete, but it has been determined that services will be held at Lake Forest at 2 o'clock Tuesday afternoon, after which the remains will be removed to Mr. Morton's country home, at Arbor Lodge, near Nebraska City, where services will be held on Wednesday afternoon.
