Morganton now has too many. We have heard of being between the devil and the deep sea that would apply to a violator of law in such case.

The new county of Scotland has the proud distinction of having but seven white men who have dis-franchised themselves by not paying their poll tax. But then the new broom sweeps clean.

All nature and every body else but the sprinkling man is in good humor over the splendid rain we had Wednesday evening. It will make glad the heart of many a grain deposited in the soil.

Before the termination of the great war certain men called patrolers were duly authorized to whip every negro they found from home without authority from his owner. It would be good now to have duly constituted officers to spank every kid found striking a match and smoking a cigarette. They go about turning up their noses depicting the greatest misery, affecting business care and self importance. They are a menace to public safety as well as to the health of themselves and other boys patterning after them. A few days ago there was a case in Charlotte in which one of these brats struck a match on the tire of a wagon wheel while the wagon was loaded with hay. The fire department alone saved the wagon from total destruction.

The Thursday Evening Study Club met with Mrs. J C Wadsworth this evening at her beautiful home on North Union street.

## A Deep Mystery.

It is a mystery why women endure Backache, Headache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mr. Phebe Cherley, of Peter son Ia. "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my house work." It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at Fetzer's Drug store.

## Mr. Fisher Returned.

Faith, N. C.—Mr. C P Fisher, of Mt. Pleasant, having returned from the Chicago Seminary, has accepted a call to supply Faith and Immanuel churches during the summer vacation.—Lutheran Visitor.

## Dangerous If Neglected.

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure "I had a running sore on my leg thirty years," says H C Hardy, Yankeetown, Ind. "After using many remedies, I tried DeWitt's Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits.—Gibson Drug Store.

"It sometimes happens that after meeting a great man you discover that his reputation is about three times larger than he is."

## Like a Drowning Man.

"Five years ago a disease the doctors called dyspepsia took such hold of me that I could scarcely go," writes Geo. S Marsh, well known attorney of Nocona, Tex. "I took quantities of pepsin and other medicines but nothing helped me. As a drowning man man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after taking a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any good food and cures any form of stomach trouble.

"The fool waiteth for the iron to get hot before striking, but the wise guy maketh the iron hot by striking."

## Don't Worry.

If you want to get well or to keep well don't worry. If you want to be happy and to make others happy, don't worry. If you want to be plump and fresh, don't worry. If you want things to go right with you and yours, don't worry. If you wish to be a helpmate to your husband, don't worry. If you wish to be loving and loved mother, don't worry. If you want a good appetite, don't worry. If you want to sleep well, don't worry. Worry is the curse of American women. Instead of taking the blessings that a kind Father provides, and being happy and content, all are passed over and they worry for what they have not. "Don't cross the bridge until you come to it." is a maxim that it would be well for all to bear in mind. Live today, so far as troubles and anxieties of the future are concerned, leave them to the future. "As thy day, so shall thy strength be."—Exchange.

## Tot Causes Night Alarm.

"One night my brother's baby was taken with Croup," writes Mrs. J C Snider, of Crittenden Ky. "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Infallible for Coughs, Colds, Throat and Lung troubles. 50c and \$1.00. Trial bottles free at Fetzer's Drug Store.

## Red Men's Orphanage.

The joint committee of the two legal tribes of Red Men on the orphanage proposition met yesterday afternoon pursuant to call of Chairman Dughi, and prepared a paper to be presented to each representative attending the Great Council at the coming meeting, suggesting the establishment of the orphanage, leaving the time and place to be settled by the Great Council; recommending a board of trustees of not less than five to raise funds for the accomplishment of the object. All tribes except one have endorsed the movement.—The Morning Post of 8th.
