COMMENCEMENT AT MONT AMOENA.

Exercise Unusually Good—Oratorical Contest Exceedingly Fine—Program as a Whole Highly Enjoyed.

Mt. Pleasant, May 28.—Another commencement at Mont Amoena Seminary is recorded and the students have returned to their happy homes. The exercises throughout were largely attended and highly enjoyed, more than measuring up to that high standard which similar occasions of the past have merited for this deservedly popular institution.

Rev. Prof. C L T Fisher, of Elizabeth College, formerly president of Mont Amoena, delivered the annual sermon before the graduating class Sunday morning. He had the undivided attention of an appreciative audience, which are always glad to have Mr. Fisher with them.

The young ladies of the Missionary Society were fortunate in securing the services of Rev. Mr. Hiller, pastor of St. James E. L. church, Concord, who delivered the Missionary address Sunday night. He took for his subject, "Femininity." The address was a gem, and has been profusely complimented by all who had the pleasure of hearing him.

The contest in elocution Monday morning was one of unusual merit, and were it not for the fact that it was a contest among young ladies we would be constrained to call it a battle royal. Indeed it would not be inappropriate to style the contest a battle of princesses, armed with glittering diamonds, on the flowery fields of choicest language.

A splendid program of musical renderings and recitations was executed. Those on the musical program were: Misses Pearle Lingle, Ada Stirewalt, Ritchie, Means, Lentz, Tidmarsh and Magruder.

Reciters in the oratorical contest were: Misses Annie Bell Barrier, Ella Lewis, Maggie Linn, Essie Moore, Beulah Vansant and Belle Wingard.

On a very small margin the medal was won by Miss Wingard.

The graduating class exercises were held Monday night, each reading an essay on some live topic of the day.

Rev. Mr. Linn, at the request of Dr. Miller, then delivered the diplomas to the young ladies in a short appropriate address. Dr. Miller announced that first honor had been won by Miss Hattie Tidmarsh, of Whitmires, S. C., and that second honor had been shared between Misses Belle Wingard, Lone Star, S. C., and Emma Werts, Ruff, S. C.,

The several medals were then presented to the successful con-

testants.

Rev. Prof. J H C Fisher, who succeeds Dr. Miller as president of the Seminary made a few brief announcements in regard to the work the coming year.

The past year has been one of success and it is safe to predict that under the efficient management of Prof. Fisher the institution will continue in its march to greater success. "B."

CORNER STONE LAID.

Students Building at the State Normal—It Rose From \$3000 to \$20,000.

The corner stone was laid Monday for the Student's building at the State Normal College at Greensboro. The ceremony was conducted with Masonic rites. This grand work was started by Miss Louise Dull who read the history of the movement which began with the modest hope of a \$3,000 building. Soon it was found that \$10,000 could be gotten and now it is to be a \$20,000 building with \$15,000 secured and no fear for the other \$5,000.

"I Never Knew Pain Killer to Fail before, what can the matter be? Where is the bottle? There, I thought so; it is not Berry Davis at all, but something the druggist must have made himself and I did not notice it; I have used Painkiller for years for diarrhoea, cramps and stomach aches and it never failed."

Florence, S. C., Nov. 26, 1900.—I was first advised by our family physician in Charleston to use TEETHINA with our baby when he was but a very young infant, as a preventive of colic and to warm and sweeten the stomach. Later it was useful in teething troubles, and its effect has been found to be so very beneficial and so free from dangers that are consequent upon the use of drugs and soothing syrups, that we have come to regard it after use with three children, as one of the necessities when there is a new baby in the house and until the teething troubles are over, and we take pleasure in recommending it to our friends instead of the horrid stuff that so many people use to keep their baby quiet.
