## DO AWAY WITH THE FARCE.

If anybody can see or present a potent reason for keeping up this farce of State penitentiary farms we would be pleased to have it brought out. From our standpoint the State farms should be sold or leased on the best terms possible and the force that is capable of farming be put on our public roads.

There is room for them on the roads and we suppose there will be for all time. It is certainly more suitable for men encumbered with ball and chain to dig, shovel and load carts, grind rocks, etc., than to plow, hoe and reap.

On the roads, too, there is absolutely no competition with free labor or individual enterprise, the State bearing the expenses.

Our people are wearying of hearing about the penitentiary with the promise that it is going to pay. It was brought up to a paying basis by Gus Leazer and he offered to give bond that he would run the farms without a dollar of appropriation from the State if he were allowed to keep them, but the business was a mere political football and is therefore a failure.

The whole affair has become tiring, nauseating, abominable while the services of these men are so much needed on the roads. Unless there is a hindrance that we cannot see we hope the farce of State penitentiary farming will not survive another general Assembly.

## Glass Items.

Glass, N. C. June 4, 1902.—Quite a number of the young people of this community attended the closing exercises of the Laura Sunderland School last night. The exercises were grand and were enjoyed by all who heard them.

Miss Maggie May Rogers returned home this morning from Sunderland.

The Southern has closed the night telegraph office at Glass as there was not enough work to justify them to keep a man here.

The Children's day exercises at Enochville last Sunday were fine. A large crowd was present, quite a number from Concord.

## A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. S. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid.—Gibson Drug Store.

## MISS FAY LEE,

President of the Shakespearian Club, Kansas City.

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, 603 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

**B**EARING-DOWN pains are the worst that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains". They may not be particularly severe at present but they are growing worse. That headache which nearly drives you distracted now is caused by the terrible

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.
