J. D. HATCHETT, Counsel Com.

It is no dishonor to the past to have a great faith in the future. Our ancestry can never be honored by stagnation, but by progress, and he who wrecks the future with a pretended faith in the past is a traitor to all that is noble in both.—Dr. J. C. Kilgo.

LAMP OF LIFE GOES OUT.

On Saturday morning, about 5 o'clock, Mrs. Lydia Wallace, age 86, departed this life at the home of her daughter, Mrs. J M Brown, on North Union street. Death was caused by a complication of diseases attendant upon old age. The deceased is survived by three children, Mrs J M Brown, Mrs. J B Caldwell and Mr. Jno K Wallace. Mrs. Geo. Barringer Dead.

Mrs. Geo. Barringer, nee Miss Mattie Fisher, died at her home in Mt. Pleasant Friday. Mrs. Barringer had been very low with the dreaded malady of consumption for seven months and her death was not unexpected by her many friends. Her husband preceded her last August, of typhoid fever.

The funeral services were conducted at St. John's today (Saturday), after which the remains were laid to rest in the cemetery.

We extend our deepest sympathy to the relatives and friends in their hour of sorrow.

From Hot to Cold.

Dysentery is prevalent everywhere in summer and is due to miasmatic poisons, and begins abruptly with inflammation of the large bowel. In America the disease is common, but properly treated does not result as seriously as in the tropics. Perry Davis Painkiller is the best known remedy and the most efficacious in the treatment of dysentery.
