Now it seems that Gen. Miles
is approaching a Capt. Dreyfus
case. Rumor is that he is pro-
ceeding to Washington to
answer for telling too much of
the army workings. It is de-
nied however by Secretary Root.

The most popular book re-
cently on the market is "The
Leopard's Spots" by a native
North Carolinian, Rev. Tom
Dixon. It is thoroughly Southern
and is said to be one of the
finest novels of modern times.
The price of the book is one
dollar and a half. Get us two
new subscribers with one dollar
each and you can have the book.

The Standard has recently made
another addition to its equip-

Young Man Killed by the Bursting of a
Grindstone.

An unusual and fatal accident
occurred here this morning. W.
B. Jackson, a young man from
Winnsboro, was grinding some
tools at a planing mill, the
grindstone belted to the engine
and revolving rapidly. Suddenly
the stone burst and one large
piece struck Mr. Jackson in the
face. He was knocked into
insensibility and died an hour af-
terwards. The sad state of affairs
is heightened by the fact that he
leaves an invalid wife and two
small children.—Batesburg, S.
C., Special to Columbia State.

Not Death, But the Other Woman.

Moore, the Charlotte farmer
who disappeared during the
twentieth celebration and was
thought to be dead, and whose
corpse was so much hunted for
and whose wife mourned for two
weeks over her dead husband
has turned up in Salisbury with
the other woman. Mrs. Moore
is mighty mad and Moore ought
to suffer severe punishment for
his brutal behavior.—Gastonia
News.

Boy Dies from Overstudy.

Fifteen-year old John Dfn,
who stood at the head of the
graduating class of Public
School No. 6, Hoboken, died at
his home in that city on Tues.
He was to have been valedictor-
ian at the commencement
exercises of the class. Excessive
study aggravated an affection of
the heart, and when the exami-
nation at the school was over a
week ago he was obliged to take
to his bed.

He kept crying for his diploma
and at the meeting of the com-
mission of public instruction
Monday night the document was
made out and given to his
teacher to present to him. He
died a few moments before the
teacher reached his home. The
diploma will be buried with him.

School Is Out.

The boys and girls are at home
for the vacation, and now the
fun begins. One of the greatest
pleasures of vacation times is
amateur photography. It is
one of the subtle joys of living
to thus preserve the fleeting
scenes of happiness. Realities
of today will be but faded
memories tomorrow if you have
not a Kodak. You can buy a
Kodak at Fetzer's Drug Store
for \$1.25, \$2.00, \$5.00 and the
newest thing out is the Folding
Rocket Kodak for \$6.00. All
are complete in their parts and
make perfect pictures. You
can also buy at Fetzer's Drug
Store all kinds of Photographic
Supplies, Developing and Print-
ing Outfits, Paper, Dry Plates,
Card Mounts, Chemicals, in fact
everything necessary to set up a
complete photographic establish-
ment. Call and buy a Kodak,
get a catalogue and learn all
about it.

A Real Friend.

"I suffered from dyspepsia
and indigestion for fifteen
years," says W. S. Sturdevant of
Merry Oaks, N. C. "After I had
tried many doctors and medicines
to no avail one of my friends
persuaded me to try Kodol. It
gave immediate relief. I can
eat almost anything I want now
and my digestion is good I cheer-
fully recommend Kodol." Don't
try to cure stomach trouble by
dieting. That only further
weakens the system. You
need wholesome, strength-
ening food. Kodol enables you
to assimilate what you eat by
digesting it without the stomach's
aid.—Gibson Drug Store.
