TELEPHONE NO. 71.

CONCORD, N. C., July 1, 1902.

Some Southern Senators are making a rather bad record in Congress. Tillman jumped on McLaurin in the Senate chamber amid the session, Senator Money fought a street conductor who was doing his duty and now Bailey has lost his balance and assailed Senator Beveridge who used not very harsh language and softened it with a declaration that he meant no insult to Mr. Bailey. There are things of which the South is much more proud than of her fighting Senators.

Vacation Days.

Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open-air sports. No remedy equals DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts, scalds and wounds. "I used DeWitt's Witch Hazel Salve for sores cuts and bruises," says L. B. Johnson, Swift, Tex. "It is the best remedy on the market." Sure cure for piles and skin diseases. Beware of counterfeits.—Gibson's Drug Store.

Congress Adjourned Today.

Washington, June 30.—It is understood that the resolution for adjournment of Congress has been drawn in authoritative quarters and fixes 3 p. m. tomorrow, July 1, as the hour for final adjournment. It has not been introduced, but is held for prompt introduction if the present indications of dispatching work is realized, the naval appropriation and Philippine bills being the doubtful quantities.

Acts Immediately.

Colds are sometimes more troublesome in summer than in winter, it's so hard to keep from adding to them while cooling off after exercise. One minute Cough Cures at once. Absolutely safe. Acts immediately. Sure cure for coughs, colds, croup, throat and lung troubles.—Gibson's Drug Store.

"Some people never quote scripture until they want to give an excuse for their meanness."

A Raging, Roaring Flood.

Washed down a telegraph line which Chas. C. Ellis, of Lisbon, Ia., had to repair. "Standing waist deep in icy water," he writes, "gave me a terrible cold and cough. It grew worse daily. Finally, the best doctors in Oakland, Neb., Sioux City and Omaha said I had Consumption and could not live. Then I began using Dr. King's New Discovery and was wholly cured by six bottles." Positively guaranteed for Coughs, Colds and all Throat and Lung troubles by P. B. Fetzler, Druggist. Price 50c.

Garmond Items.

Garmond, June 29.—Farmer are laying by their corn and cotton.

Since the late rain you can hear the hum of the threshing machine around Garmond.

Wheat is turning out very poorly. I notice in the last issue of the Standard that the writer of Garmond items said the chinch bugs were killing the corn. There is one man that thought he had discovered a remedy but the practical test failed. He took his coop and hen with brood of chicks into the field, expecting the chicks, about thirty in number, to exterminate the bugs. The remedy failed, however, as some one with fowl propensities exterminated or confiscated the chicks, feathers and all, and even picked the brooders head clean of its feathers. This left the bugs in full possession.

The Garmond hobo band as the boys call it is improving wonderfully well. It gave us some pleasing music at Mr. E. Barbee's on last Saturday night.

There was a good crowd present. The crowd was disappointed by Mr. James Burris, who was to have given a show but did not appear.

There will be preaching at Miss Hester Honeycutt's on the 4th of July by Rev. Elias Williams. A. B.

Seven Years in Bed.

"Will wonders ever cease?" inquire the friends of Mrs. L. Pease, of Lawrence Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but, "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from Headache, Backache, Nervousness, sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction is guaranteed by Fetzler's drug store. Only 50 cents.

Masonic Officers Installed.

Stokes Lodge No. 32 A. F. & A. M. installed its officers for the ensuing year on Monday night as follows:

The lodge has invested in ten shares of stock in the Pythian Realty Company.

Poisoning the System.

It is through the bowels that the body is cleansed of impurities. Constipation keeps poisons in the system, causing headache, dulness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver & promoting easy, healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress.—Gibson's Drug Store.

"Just as soon as some men are married they imagine that it is time to quit playing the lover."

The Worst Jane.

A little boy whose winter home is in the Oranges in New Jersey, and whose summer home is at Green Summit, Pa., but whose identity shall not be further disclosed, attended a dame school last winter and, on an occasion when visitors were announced, took part in exercises in their honor. The exercises comprised recitations by the brighter children and among them this dear little boy was called on. He recited in perfectly good faith the following, which he had learned or caught from an indigent nurse with semipoetical instinct:

Jane ate cake and Jane ate jelly.

Jane went to bed with a pain in her—

Now don't get excited,
Don't be misled!

For what Jane had was a pain in her head.

When the youngster told of this to his entirely surprised and somewhat shocked parents they asked him:

"What did your teacher say?"
He replied:
"She said nothing. She just turned around and looked out of the window, but the scholars and the visitors wanted me to say it again."—Brooklyn Eagle.

Stepped Into Live Coals.

"When a child I burned my foot frightfully," writes W. H. Eads, of Jonesville, Va., "which caused horrible leg sores for 30 years, but Bucklen's Arnica Salve wholly cured me after everything else failed." Infalible for Burns, Scalds, Cuts, Sores, Bruises and Piles. Sold at Fetzler's drug store—25c.

"We are prone to look at the faults of others through a microscope and at our own through the small end of a telescope."
