\$6,000,000 FLOOD DAMAGE.

The River Falling at Keokuk, but Rising at Other Points—Trains Run Through Water.
Keokuk, Iowa, July 21.—The height of the flood in the Mississippi river was reached to-day south of here. The river fell an inch and a half at Keokuk to-day and the fall will reach southern points by to-morrow. But the rise of a foot more in the vicinity of Canton, Quincy, La Grange and Hannibal carried the water over thousands of acres previously uninjured. The highest water is between La Grange and Gregory, where the water on Sunday was well below the rails of the St. Louis, Keokuk & Northwestern Railway on the bank of the river. A flood is pouring over the tracks to-day and reaching to the steps of the coaches. The road-bed is good and trains are delayed only by slow running through water. Farmers report a much greater loss than before and estimates approximating \$6,000,000 damage over 75 miles of river frontage will not be changed greatly. The river here is full of debris. South of here the dam include thousands of rabbits as passengers on logs, pieces of houses and other wreckage.

New Railroad for North Carolina.

The Union Trust Company has completed arrangements by which it will finance the extension of the Ohio River & Charleston Railroad from the coal fields of West Virginia to Lincolnton, N. C. At Lincolnton the road will connect with the Seaboard Air Line. This line will then be the shortest from the West Virginia coal fields to the sea, and will give the Seaboard an independent route to the Great Lakes.

Storm in Salisbury.

Salisbury was visited by a violent wind storm Sunday evening about 6 o'clock, which at times assumed the proportions of a cyclone. Several trees were uprooted and many limbs were wrenched from the trees. No damage to life or property is reported. A small rain fell during the night.—Salisbury Sun.

BOAT COLLISION ON THE ELBE.

Fifty People Drowned Out of 185 Excursionists.

A Hamburg dispatch of the 21st gives an account of a boat collision on the Elbe river at 12:30 a. m. in which 50 people were drowned. Thirteen bodies have been recovered.

Some got aboard the Hanza, others were picked up by boats and some swam ashore.

The accident occurred without notice and the band was playing and there was dancing and merriment on the excursion boat.

A Splendid Attendance at Misenheimer's Springs.

Misenheimer's Springs, July 21.—Though the season has just opened this place of rest is having its share of visitors, who come to lay aside the cares of life and the hum of business to partake of sulphur water and the good eatables served by Mrs. Misenheimer who is always desirous that none go away dissatisfied. Mr. Jacob Shoe, who formerly pulled the throttle on the Concord-Mt. Pleasant line, is this year filling the clerk's place, and satisfactorily too.

As is characteristic of this place, huckleberries and cream each day follow the sumptuous dinner, so long as they in are season. Everyone who has ever visited this place remarks as to this exceptional desert. Among the boarders here at present are Mrs. Crump Harris, of Winston; Mrs. David Bennett, of Norwood; Mrs. Jane Nash, of New London; Mrs. Geo. H. Cox, of Organ Church; Mr. Sam Carter, of Salisbury; Miss Maggie Barnhardt, of Pioneer Mills, and Charlie Earnhardt, son of Mr. Wiley Earnhardt, who lives near Concord. Quite a number of people from Albemarle, New London, Salisbury and Concord spend Sundays here.

A Winston Lady Will Sue a Norfolk Newspaper

Winston-Salem, N. C., July 21.—Mrs. Victoria Roberts of this city has employed counsel here and at Norfolk, Va., to institute suit in the United States Circuit Court against the Virginia-Pilot of Norfolk. Mrs. Roberts considers that she has been slandered by an article which appeared in the paper connecting her name with that of Charles F. Osborne, accused of murdering two wives. Mrs. Roberts and Osborne's second wife were good friends during their residence in Winston. It is probable that a suit will also be instituted against a North Carolina paper which published the substance of the Norfolk paper's article in a telegram sent by a correspondent.

Georgeville Educational Rally.

Friday Aug. 12th at Georgeville an educational rally will be held and the people of the county will have an opportunity to hear some of the state's most advanced thinkers on educational lines. The program has been in preparation for some time and promises to be attractive and instructive.

This will be the first meeting of this kind held in Cabarrus this year and the county superintendent Mr. Charles Boger and Prof. J. W. Barnhardt of the Georgeville Academy, promise to the people old and young a like an interesting day and hope that many will be present to hear what these men will have to say on this most important question before the people of North Carolina.

The date was set at this particular time in order that the farmers might conveniently be present on that occasion. Besides speakers of the county there will be speakers from Wake Forest college and Charlotte.

Poisoning the System.

It is through the bowels that the body is cleansed of impurities. Constipation keeps poisons in the system, causing headache, dulness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver & promoting easy, healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress.—Gibson's Drug Store.

Mr. G. L. Patterson will move into the house on Mill street occupied by Mr. W. R. Harris on the first of August and Mr. Harris will move into his new home on North Union Street about the first of the month.
