A BOW TO COLONEL WADSWORTH.

Col. Jno. C Wadsworth has done the magnanimous and handsome thing to respond to Chairman Cook's suggestion to paint the new two room school house near Mr. D C Faggart's. It is the kind of thing on which the educational awakening in our State will develop and we'll lift our hat to Jno. C. the first time we meet him or we invite him to knock it off.

Jeffries and Fitzsimmons are to fight at San Francisco Friday night and the sporting world is on tiptoe. There is betting and demoralization enough. Money flows in for seats till gate fare has already amounted to \$20,000. Those who have no higher ideals use their strength and their money in that way.

United States Deputy Collector H C Hart, of Knoxville, Tenn., makes the statement that there are 400 out of 516 licensed distilleries in North Carolina that are defrauding the government. Does that surprise anyone? We have long had the impression that they all do. It's rather cheering that some do not. It would be a sign of the millennial approach if the whole revenue manipulation should show as good proportion of purity. When a man gets his foot into it with the revenue department he is generally sized up and ruined unless he will agree to vote right. It would hardly be putting it too strongly to say that the drink evil itself is little more to be deplored than the whole system that pretends to restrict it with political manipulated revenue laws.

On the 17th the cotton crop from the "Panthur Burns" plantation in Louisiana was sold in a lump. There were 4,900 bales of 900 pounds each, making nearly 10,000 common bales. This being one crop from one plantation it is the climax for the world.

GEN. CRONJE RELEASED.

Returns to South Africa—Has Taken the Oath.

Bermuda, July 23.—General Cronje, the famous Boer leader, who has been held a prisoner here in the British prison camp, was released and sailed today on the steamship Tartar Prince for South Africa.

General Cronje took the oath of allegiance when peace was declared. His future plans are not known but it is said he will settle down to the rural life he led prior to taking up the sword against England.

Seven Years in Bed.

"Will wonders ever cease?" inquire the friends of Mrs. L Pease, of Lawrence Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but, "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from Headache, Backache, Nervousness, sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction is guaranteed by Feizer's drug store. Only 50 cents.

Wilcox to Know His Fate.

Solicitor Ward, who prosecuted James Wilcox for the murder of Nellie Cropsey at Elizabeth City was in Norfolk last week and said this case would come before the Supreme court on the fourth Monday in August and that he did not think the prisoner would be granted a new trial.

Wilcox, as is well remembered, was sentenced by Judge James at the March term of Pasquotank county superior court to die for the murder of his sweetheart, Nellie Cropsey, but an appeal was taken.

Wilcox has been in jail since his arrest and is strong and hopeful.

Mother Always Keeps It Handy.

"My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L W Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic.—Gibson Drug Store.

Bogus Check Man Loose.

Pritchard, the man who claimed to be a relative of the Senator and worked Charlotte recently for all there was in it with bogus checks is still to hunt. He's hard to head.

Later we note that Pritchard has run his fool course and is in limbo at Charlottesville, Va. He will be brought to Charlotte and will most probably land in the penitentiary, where he belongs.

A Poor Millionaire.

Lately starved in London because he could not digest his food. Early use of Dr. King's New Life Pills would have saved him. They strengthen the stomach, aid digestion, promote assimilation, improve appetite. Price 25c. Money back if not satisfied. Sold by P B Fetzer, druggist.

Mr. Allison For the Senate.

Concord, July 19th, 1902.

TO THE CITIZENS OF CABARRUS:

Yielding to solicitations of many friends from all sections of the county, and feeling that every good citizen should make some sacrifice for his country, I have consented to become a candidate for the nomination of State Senator for this district.

"My business record and faithfulness to the Democratic party, I hope speak sufficiently for me without outlining a policy here, as to what you may expect of me should you honor me with this responsible trust.

Now that I have consented to this race, I trust my friends will not fail to attend the primaries to insure my nomination.

Respectfully,

JOHN P. ALLISON.
