GREENSBORO REUNION

Wednesday, August 20th—Tents and Fair Provided for Veterans—Major General and Four Brigadiers to be Elected.

Durham, N. C., July 19, 1902.

Paragraph 1. The annual reunion of the North Carolina Division of the United Confederate Veterans will be held at Greensboro, N. C., on Wednesday, the 20th day of August, 1902, in accordance with the resolution adopted at the last annual reunion held at Wrightsville, at which will be held the annual election of Division and Brigade Commanders, to-wit: A Major General and four Brigadier Generals. Only those will be entitled to vote at this election who are duly accredited delegates from camps which are reported as having paid their dues. The attention of Camp Commanders is especially called to this, and they are urged to see at once that their camp dues are paid, as required by the constitution of the U. C. V.

Paragraph 2. Gov. Aycock has again kindly loaned the tents and blankets of the State Guard for the use of the veterans, and an encampment will be held in a shady grove convenient to the railroad station and near the centre of the city, where will be accommodated and fed free all those who cannot, or do not wish to board at the hotels and private boarding houses of the city. This encampment will be ready for occupancy on Tuesday afternoon, the 19th of August, so that veterans can arrive then and rest that night for next day's pleasures.

Paragraph 3. The main business of the reunion will be transacted on the morning of the 20th, when several addresses will be delivered, and in the afternoon of that day there will be a grand parade. The encampment will end on the 21st. The veterans and other public spirited citizens of Greensboro are making preparations for the comfort and pleasure of visiting veterans, and are determined to make it the most successful and pleasant reunion ever held in this State.

Paragraph 4. All ex-Confederate soldiers in North Carolina of good standing are cordially invited to this reunion, whether or not they are members of any camp or association. Commanders of camps are requested to communicate as soon as possible with Commander J. W. Scott, of Greensboro, as to the number of veterans who will wish free lodging at entertainment, so that it may be known in advance for what number to prepare.

Paragraph 5. All the railroads in the State have kindly given a rate of 1-cent a mile in each di-

rection for this occasion, and this low rate will be given all visitors, as well as Veterans. Tickets will be on sale on the 18th, 19th and 20th, and will be good until the 25th of August.

Paragraph 6. All officers, and as many comrades as can, are requested to wear their uniforms. A full attendance is urged and a pleasant occasion is anticipated. Rally up, comrades, and let us make it the grandest reunion ever yet held in our good old State. By order of

J. S. CARR,

SAD SCENE IN CHARLOTTE.

Little John Alexander Crushed Under a Freight Train—He Was Trying to Ride.

A sad, sad lesson was taught in Charlotte Thursday when little John Alexander was crushed underneath the ponderous wheels of a freight train. It was at the crossing at North Brevard street where the trains slow up and where boys are in a habit of swinging on for a ride. This unfortunate child missed his objective point and was thrown under the car where the wheels pushed and crushed him in fearful manner. He remained conscious however and was carried to his home to his heart crushed mother. He lived four hours and talked freely and without pain.

Listen for a New Enterprise.

Certainly the town of Concord is building up fast and this growth is steady and not of the "booming" kind. Hardly a week passes with out some new enterprise materializing and others being formed. All of our influential citizens seem to have the best interests of Concord at heart and with this kind of spirit abroad keep your eye on your home town and watch for new companies to be formed that will increase the population and wealth of the community. One of Concord's prominent men said to a Standard reporter last night that there were rumors abroad that before many months Concord would have an enterprise that any town or city in the South would be proud to boast of. He would give no information other than this. But from all appearances there is a project on foot for something new for Concord.

Pretty Specimen of Petrified Wood.

Mr. William M. Weddington has placed a piece of petrified wood in The Standard office for exhibition that is a rare sample indeed. It is so natural that it is not easy to determine which it resembles most, wood or stone. Those fond of such curios can feast the eye on this beautiful specimen.

TWELFTH JUDICIAL CONVENTION.

Meets at 12 O'clock—Nominates J. L. Webb for Solicitor—Harmonious Meeting.

Today promptly at 12 o'clock the Democratic Convention of the 12th Judicial district was called to order by Mr. J. A. Anthony, of Shelby, who called upon Mr. W. C. Maxwell to act as temporary chairman. Thereupon Mr. Maxwell called upon the reporters of the Concord papers to act as secretaries and upon motion of Mr. W. G. Means the organization was made permanent.

Mr. F. M. Shannanhouse, of Charlotte, then put in nomination the name of Mr. J. L. Webb, of Shelby, for solicitor of the 12th Judicial district and this nomination was seconded by Mr. R. B. Wilson, of Gastonia. Mr. Webb received the nomination by acclamation.

The executive committee for the judicial district was then elected, which is composed of the following men: J. A. Anthony, Cleveland; L. T. Hartsell, Cabarrus; L. J. Holland, Gaston; C. D. Childs, Lincoln, and Frank M. Shannonhouse, Mecklenburg. Mr. J. A. Anthony was made chairman of the committee.

The convention was in session just twenty minutes.

His Democratic Record Clean.

Col. John H. Long came into our office today (Friday) and in answer to certain questions as to his loyalty to Democracy says, he cast one Republican vote two years after the war and for one man only in Union county. He was elected county commissioner of Union county on the Democratic ticket. That he failed to vote on two occasions in Cabarrus county in which complications, not disloyalty to the party, caused it and that he has cast a Democratic ballot every time he has had the chance to do so in Cabarrus.

That General Gathering.

There is a question recently agitated by some of our citizens that is of much importance to Concord. It is to establish an annual central social Business Day for Concord, where the people will congregate from every part of the county and beyond the county lines; where the farmer and tradesman can buy, sell, barter and exchange lands and live stock of all kinds, rent farms, engage tenants and hire help for the coming season, with speeches and other entertainment.

On investigation it is found that our people are ripe and anxious for a day or two of this kind and call loudly for it.

"MANY CITIZENS."

A Great Saving In Men's Trousers

Do doubt within the past ten days you have seen some strong assertions above our name about Men's Trousers. This talk we are able to back—yes every word of it. In four years' business in Concord we have never had such values and may not have them again soon, as such plums do not drop every day. 'Tis one of these trade chances that comes only occasionally. You can buy two pairs for almost the price of one.

Men's Trousers, made up in the best possible manner, finely finished, ivory buttons, pure worsted, made to sell for \$5.00. They are mostly small sizes, your choice for
