Since the defeat of Mr. Fitzsimmons there is nothing left for him to do but open a bar room.

Grover Cleveland makes no reply to what Mr. Bryan says about him. The former can be a Democrat better than the latter can define one with all his splendid vocabulary.

Breakers of the Law.  
Julius People was before Esq. C A Pitts today for an assault and upon conviction was sent to the roads for 30 days.

Will Smarr, colored, was also before the same court for disposing of crops without legal notice.

Last Saturday Whit Fisher and Calvin Reed were bound over to court for carrying concealed weapons.

This evening Oscar Stella will be tried for giving a chain gang negro, Charles Graham, a file with which to escape. Also Wilkes Honeycutt and Jesse Faggart will be tried for escaping from the chain gang.

Rev. C B Miller's Unfavorable Experience.

Several weeks ago Rev. C B Miller was in Concord and received an injury to his right leg in getting out of a carriage. Inflammation set in and his condition was quite threatening. He has not been able to fill his pulpit since. We are glad to note that he is now improving again and we hope the worst is over.

### A Raging, Roaring Flood.

Washed down a telegraph line which Chas. C. Ellis, of Lisbon, Va., had to repair. "Standing waist deep in icy water," he writes, "I gave me a terrible cold and cough. It grew worse daily. Finally the best doctors in Oakland, Neb., Sioux City and Omaha said I had Consumption and could not live. Then I began using Dr. King's New Discovery and was wholly cured by six bottles." Positively guaranteed for Coughs, Colds and all Throat and Lung troubles by P B Fetzler, Druggist. Price 50c

### The Mystery of Prayer.

It is sometimes urged that prayer is mysterious. So everything, if we stop to think about it. Matter is a mystery. Nobody knows what matter is. Force is a mystery. Nobody knows what force is. Gravitation is a mystery. Nobody knows what gravitation is. Nobody knows what takes place when we drop a lump of sugar into a cup of coffee. Whether the change is mechanical or chemical, the very wisest of men are not able to say. We know just one thing, that by dropping sugar into the coffee, the coffee is sweetened. For most of us, that is enough. We know that by dropping a prayer into a day, we sweeten the day. How this is brought about, we do not know. Who has sight so keen and strong that it can follow the flight of song or the flight of prayer? Why should we not be as reasonable and practical in our religion as we are at the dinner table?—Dr. Charles E. Jefferson.

### Fell Into a Steam Boiler.

Dyersburg, Tenn., July 26.—Will Young and Dan McAuliffe met a terrible death while repairing a steam pipe at a mill to-day. The scaffolding on which they were working gave way and they fell into one of the boilers and were literally cooked, the flesh dropping from them in large patches when they were pulled out.

### Mrs. Pritchard's Condition Alarming.

Asheville, July 27.—Mrs. J C Pritchard, who last Wednesday grew suddenly ill, was this afternoon brought from her home near Marshall to the Barker Memorial Hospital on the Vanderbilt estate at Biltmore. The condition of Mrs. Pritchard, who is the wife of Senator Pritchard, is such as to give cause for alarm and it will be necessary for her to undergo an operation tomorrow morning. Unless there is early change for the better in Mrs. Pritchard's condition there will have to be postponement of the date for the opening of the Republican State campaign, as it had been arranged for the Senator to make the opening speech in the eastern part of the State during the first week in August.

"Some people are like rivers—too sluggish to leave their bed."

"The breakers are very detrimental to seashore engagements."

"Lip service is sweeter than honey when kissing your girl."

### ASK DRUGGIST CATARRH

FOR 10 CENT TRIAL SIZE.

Ely's Cream Balm.

It cleanses, soothes and heals the diseased membrane. It cures Catarrh and drives away a cold in the head quickly. It is absorbed. Heals and protects the Membrane, restores the Senses of Taste and Smell. Full size 50c; Trial size 10c, at druggists or by mail. Ely Brothers, 56 Warren St., New York.

There have been times when the wild beasts have been more merciful than human beings, and spared the woman cast to them in the arena. It is astonishing how little sympathy women have for women. In the home the mistress sees the maid with the signs of suffering she recognizes so well, but she does not lighten the sick girl's load by a touch of her finger. In the store the forewoman sees the pallor and exhaustion which mark womanly weakness, but allows nothing for them. It is work or quit.

Doctor Pierce's Favorite Prescription makes weak women strong and sick women well, by curing the womanly diseases which undermine the health and sap the strength. "Favorite Prescription" establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

"When I first commenced using Dr. Pierce's medicines," writes Mrs. George A. Strong, of Gansevoort, Saratoga Co., N. Y. "I was suffering from female weakness, a disagreeable drain, bearing-down pains, weak and tired feeling all the time. I dragged around in that way for two years, then I began taking your medicine. After taking the first bottle I began to feel better. I took four bottles of Dr. Pierce's Favorite Prescription, two of 'Golden Medical Discovery,' one vial of the 'Pleasant Pellets,' also used one bottle of Dr. Sage's Catarrh Remedy. Now I feel like a new person. I can't thank you enough for your kind advice and the good your medicine has done me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets are the most desirable laxative for delicate women.

### Retributive Justice.

If any human being ever received just deserts in this world that person is Mrs. Putnam Bradley Strong, nee Lady Frances Hope, nee Miss May Yohe. She secured a divorce from Lord Hope, who from all reports made her a model husband, in order to become the wife of Strong. Now Strong has left her and simultaneously with his departure it is discovered that her jewels variously estimated in value from \$50,000 to \$150,000 have vanished. Now the abandoned wife declares she will sue for a divorce and after one is secured she will probably go gunning for another victim. But up to the present hour justice has had an even inning with May Yohe. —Salisbury Sun.

### Seven Years in Bed.

"Will wonders ever cease?" inquire the friends of Mrs. L Pease, of Lawrence Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but, "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from Headache, Backache, Nervousness, sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction is guaranteed by Fetzler's drug store. Only 50 cents.

### Mr. Allison For the Senate.

Concord, July 19th, 1902.  
THE CITIZENS OF CABARRUS:  
Yielding to solicitations of many friends from all sections of the county, and feeling that every good citizen should make some sacrifice for his Country, I have consented to become a candidate for the nomination of State Senator for this district.

My business record and faithfulness to the Democratic party, I hope speak sufficiently for me without outlining a policy here, as to what you may expect of me should you honor me with this responsible trust.

Now that I have consented to this race, I trust my friends will not fail to attend the primaries to insure my nomination.

Respectfully,  
JOHN P. ALLISON.

### Vacation Days.

Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open air sports. No remedy equals DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts, scalds and wounds. "I used DeWitt's Witch Hazel Salve for sores cuts and bruises," says L B Johnson, Swift, Tex. "It is the best remedy on the market." Sure cure for piles and skin diseases. Beware of counterfeits.—Gibson's Drug Store.
