Somebody claims to have invented a new kind of mince pie. It might help more if somebody would invent a better kind of pill to be taken with mince pie.

Most of this country's \$250,000,000 fire loss may be needless, but, as the man said coming down on the train, it demonstrates that the people have money to burn.

The Long Island youth who has fallen heir to a fortune on the condition that he never become a clergyman may be said to have fallen into some easy money.

American mules are preferred to all other kinds in South Africa. American mules receive their early tutelage in strong, rich language, which perhaps puts ginger into them.

A Philadelphia man has been arrest ed for stealing 200 pounds of human hair, or about enough for four up-todate coiffures, an especially serious offense in view of the present fashion.

We've heard many people sing that old song about wanting to be an angel. but it could be observed that they were always afraid of getting their feet wet during the grip season.

Pittsburg has already begun an annexation movement against 1912. It is the early bird that stands well in census tables.

The arrest of a Greek army officen for the appropriation of \$4,000,000 of the government's money leads one to believe that all the financiers do not hold forth in Wall street.

Two young Englishmen have been sentenced to four years in prison for taking pictures of fortifications in Germany. Leave your camera at home and avoid trouble when you go to Germany.

Here comes a snuffy old professor who says that college women are failures. We suspect that the star-eyed goddess he had been making eyes at has flunked on her examination in conic sections.

There is a bunch of bachelors in a certain Dakota city who are advertising themselves as matrimonial bargains. We worder if they have been marked down and out in their own town.

In about two months the Ohio river will show the grand old Mississippi that there are some rivers which have no intention of going out of business - permanently.

Chicago barbers propose to charge one dollar for cutting the hair of "tightwads" who shave themselves. It | vult to manslaughter when arr

the old State dispensary, its counsel fact that it recognizes the work I have and Attorney General Lyon with irregularities in connection with this work. He asks the General Assembly to order an investigation.

As to the commissioners, he asks, "How much per diem have they received for their services on the Sabbath day, particularly the chaiman. and did he work any on that day?" Another question he asks: "Has the Attorney General received any money, and if so, by whom paid and for what?"

Continuing Governor Blease asks: 'Did Clarke rebate the present commission?" Clarke refers to a Peoria, Ill., concern that sold the State dispensary whiskies and admitted paying rebates to the old directorate. "How much more than \$5,000 did Farnum pay and where is it?" Farnum was fined \$5,000 in a criminal prosecution for alleged grafting in State dispensary days. He was known as the "Beer King" of Charleston, S. C.

Asking why certain members of the old dispensary directorate have not been prosecuted, the Governor adds: "What was the agreement had with ex-Governor John Gary tice. Evans and ex-State Chairman H. H. Evans (the famous "Hub" Evans) for information given by them at a conference held in Atlanta with Attorney General Lyon and Attorney

President Urges Merchant Marine. Washington .- President Taft, addressing the delegates to the National Merchant Marine Congress at the White House, declared that not only was the country ready for the creation of a merchant marine, but Congress had discussed the measure long enough to act on it promptly. The President said he hoped the presence of the delegates in Washington would have its effect on the members of Congress in the immediate passage of some kind of merchant marine legislation.

Felder?"

Rural Carriers' Salary Raised. Washington .- The postoffice appro priation bill, carrying \$257,000,000, was passed by the House of Representatives after having been considered several days. An amendment was adopted, after spirited debate, fixing the salaries of rural mail carriers at \$1,000 a year. Senator Depew of New York, opposes popular election of United States Senators; Senator Smoot of Utah spoke against sceduleby-schedule revision of the tariff, and Senator Lodge, supporting the Gallinger ocean mail bounty bill.

Aged Woman Gets Seven Years. Newark, N. J .- Seven years in State prison was the sentence imposed upon Mrs. Caroline B. Martin for the part she played in the death of Ocey Snead, her daughter, by Judge Ten Eyck, in the Court of Oyer and Terminer. Mrs. Martin had pleaded non
