A big meeting composed of representatives of the various trades unions and some of Spencer Friday when the matter tree. was put on a definate footing. W. H. Burton was made chairman of the Labor Day Committee and J. M Ellia ascretary.

Cur Adverilsers.

Indications are that some of the more liberal minded and prigresgive merchants of China Grove will soon take interest in our effort to furnish the community with a newspaper. China Grovs 18 growing and if there is a mossback and re-actionary element in the community they had as well endeavor to stop a runaway locomovive by throwing themselves on the track, as to attempt to stay the on rush of progress. Most of our people want to see the town grow, want to see every merchant. every business man and every enterprise in the place succeed, and, are generally willing to help when necessary, if to do no more than extend a kind word. The REC. RD is a ways ready to encourage and bespeak for the success of any worthy efforts whether it be on educational, Lusiness, social or motal lines and, it is pleased to believe that its efforts are to some extens reciprocated by the good people of the community. Advertising on a regular systematic basis, one of the mainstays of a paper, especially in a small community, however, has not yet become a habis

The business people, however, are gradually awakening to the possibilities of increased sales and greater yearly profits by Teaching out and letting the buying public know that there is no need to make long trips to distant towns to make their purchases, generally by the loss of a day's work and in the payment of higher prices. Advertisements would not only be effective in themselves but would give the editor an opportunity to push along the same line. and cause the outside world to know and understand that China Grove is something more than a wide place in the road.

The big sale at the Pattersone Young Mercantile Co.'s is still in progress but will close Saturday night. This firm handles a large ine and will treat you right in verything.

John R. Brown, the jeweler and optician, is up-to-date in his line and is quite reasonable in his

charger. Frade with him. Attention is called to the advertisement of the Chius Grave Bank n this paper. When a man loses several hundred dollars by fire, having it stored away in an old trunk, sock, stuck in a crack or at the hands of a sneak thief, he can realize what it means when one says "a fool and his money soon part." The wise man puts his eavings in a bank, and, if you ive near China Grove let that bank be the safe and reliable
