CHINA GROVE, N. C., JUNE 27TH, 1913.

LOCALS.

Rev. Lee Starke, of New York, who has been holding such interesting meetings at Kannapolis, will begin a series of evangelistic meetings in the Methodist church here Monday night, July 7th.

The light seen by our people Wednesday night in the vicinity of Granite Quarry, was the burning of a barn and contents belonging to Moses Safrut, a resident of the St. Paul neighborhood. The barn was set on fire by lightning and beside a lot of feed stuff and farm machinery a cow and a horse were burned.

Mrs. Smith, mother of William Smith, died Friday and the funeral was held from the house Saturday, the interment being in Green Lawn Cemetery.

Colonel Lucky's wagon came very near running away with his mule the other day and lacked so little of turning over that Lucky saw blue streaks which he took for a flock of black birds.

P. J. Kirk took the train yesterday for the South. He stopped at Kannapolis, got a drink of water and returned to China Grove.

The Rowan County Sunday School Association will hold its regular annual convention with Mount Zion Reformed Church, Rev. J. H. Keller, pastor, on August 21 and 22.

Last Saturday evening when Miss Edna Brown and Elmer Rickard were returning from Corriher's Spring, and were driving down Main street, one side of the shafts came loose. This frightened the horse and it ran away. The buggy was turned completely over and covered the occupants, but as the other side of the shaft then broke the buggy was not dragged and no one was hurt, but they don't care to repeat the performance.

The singing class of orphans from Oxford, who so delighted a select audience here last Wednesday night were shown every consideration by members of the Masonic lodge here. They were served refreshments, given an automobile ride and given a reception. The receipts amounted to over \$30 and the lodge gave them \$10 more. The children were delighted and are always glad to come to China Grove.

The constant itching, burning redness, rash and disagreeable effects of eczema, tetter, salt rheum, itch, piles and irritating skin eruptions can be readily cured and the skin made clear and smooth with Dr. Hobson's Eczema Ointment. This ointment is the formula of a physician and has been in use for years—not an experiment. This is why we guarantee it. All druggists, or by mail. Price 50c. Many mothers think their children are suffering from indigestion, headache, nervousness, weakness, constipation, when they are victims of that most common of all children's ailments—worms. Peevish, ill-tempered, fretful children, who toss and grind their teeth, with bad breath and colicky pains, have all the symptoms of having worms, and should be given Kickapoo Worm Killer, a pleasant candy lozenge, which expels worms regulates the bowels, tones up the system, and makes children well and happy. Kickapoo Worm Killer is guaranteed. All druggists, or by mail. Price 25c. Kickapoo Indian Medicine Co., Philadelphia and St. Louis.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed, Deafness is the result, and unless this inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
