The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient's strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. Cheney & Co., Toledo, O. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.

THE RECORD received an unsigned communication this morning stating that Patterson Local Union will hold a picnic in Sloop's pasture next Wednesday, August 9th. That speakers will make speeches, that there will be races, a ball game, a water melon feast, etc., but can we put any dependence in an unsigned letter. We do not know whether the writer who fails to give his name, is a friend or an enemy, whether the date and place is correct or not, hence this is as good as no information. For the 1000th time we ask that the editor be given the name of the writer. We are always glad to publish such items when furnished.

**A Sumptuous Birthday Dinner at Landis.**  
On Tuesday, August 1st, Abraham Sechler Correll, with his many friends in and around Landis, gave a most sumptuous birthday dinner in honor of his devoted wife, his son and his son's wife from Texas and a son of Mrs. Sechler from Virginia. A large crowd gathered, more than a hundred, for the occasion.

A large table was erected in the yard. About noon the good ladies who had gathered found the same and literally loaded it with the most tempting viands such as they know how to prepare. Everything being ready, Rev C A Brown, Mrs Correll's pastor, returned thanks to a kind Heavenly Father for the bountiful provisions for loved ones and the fraternal spirit manifested on the part of those who had gathered for the occasion, and invoked God's richest blessings on grandfather and grandmother Correll, after which every one present ate to their entire satisfaction and yet much remained.

Several hours during the afternoon were spent very pleasantly in a social way. Pleasant indeed was the occasion. The young and old were in a happy mood. May Mr. and Mrs. Correll live to see many more birthdays and each succeeding one be spent as happily and pleasantly as this one.

Guests were received at the door by the hostess, who directed them to the back hall where Mrs Albert Miller served refreshing iced cider. After an hour spent in the library with various kinds of needlework, contests on the lawn were announced. Upon arrival the contestants found scattered thereon numerous birds and flowers, and a prize offered to the one capturing most of these. Mrs W C Sifferd proved herself most active in the chase and was presented with a vase for her flowers. Next were discovered vari-colored birds perched upon the branches of the trees. Each bird bore a descriptive rhyme and the object was to find who was most familiar with our feathered friends. This resulted in a tie between Mesdames Voss, Swaringen, Kiser and Gray. Mrs Riser won in drawing for the prize and was presented with a beautiful vase.

Brick ice cream, cake and mints were served by Misses Miller, Harris and Ramseur and several snapshots were taken of the party. Mrs J M Keller invited the club to meet with her in two weeks.

### FIREMAN CRUSHED, TWO OTHERS HURT.

#### Fill on Southern Branch of Yadkin Road Car in and Throws Train Down Hill.

A serious wreck of a freight train occurred Wednesday on the Southern railway between Hall's Ferry Junction and Whitney at the fill on the land of Col. J. S. Henderson. The entire train left the track and went over in a jumble. Fireman Napoleon Misenheimer was caught under the wreck and crushed to death before relief could reach him. Engineer Foy and brakeman McKinney were rushed to the hospital in Salisbury with serious wounds which may prove fatal. It is not yet known what the direct cause of the wreck was, but it is thought that the exceedingly heavy rainfall caused the fill to give way and the track to give down and thus throw the train from this track. It turned over.

The crushed body of Fireman Misenheimer was gotten from under the wrecked train and brought to Salisbury. He leaves a wife and three children in Spencer, his home.

Engineer E. R. Foy, whose home is in East Spencer, is badly scalded about the face and body and has a broken ankle.

J. L. McKinney, brakeman of Salisbury, has both arms broken. He may be internally injured. The freight was east bound on the Yadkin division.

The burial of Mr Misenheimer will take place at Misenheimer Springs today, the body being accompanied by a delegation of railroad men as well as other friends.
