Tuesday is the day we elect a whole lot of officers from President down. There has been many guesses as to who will be our next President, but without much very satisfactory conclusions. It seems to be a case of watchful waiting, that is 'till that day, November 7th, or perhaps several days after that. As President Wilson has done many very creditable and noble things and has labored continuously under the most trying circumstances to serve his country rightly; it would seem the height of ingratitude and folly to remove him for a very weak and incapable office-seeker. What of our nation? Shall we change for the worse?

Head-Off That All-Winter Cough.

At the first sign of sore throat, tight chest or stuffed-up head take a dose Dr. Bell's Pine-Tar-Honey. The healing pine-tar, soothing honey and glycerine quickly relieve the congestion, loosen the phlegm and break up your cold. Dr. Bell's Pine-Tar-Honey has all the benefits of the healing aroma from a pine forest, it is pleasant to take and antiseptic. The formula on the bottle tells why it relieves colds and coughs. At your Druggist, 25 cents.

Alleged Yeggman was Tried Yesterday.

James Farlow, alleged yeggman was tried yesterday in Federal Court here for the robbery of the Spencer postoffice. Court convened Wednesday, Judge Prichard presiding. He continued nearly all cases set for this term.

Despondency.

When you feel discouraged and despondent do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two. Despondency is very often due to indigestion and biliousness, for which these tablets are especially valuable. Obtainable everywhere.

DR. KING'S NEW DISCOVERY Will Surely Stop That Cough.

N. C. SUNDAY SCHOOL ASSOCIATION.

Will be held in Burlington, November 17-19. Program Being Arranged.

The annual convention of the North Carolina Sunday School Association will be held in Burlington, on November 17-18-19. The program committee is exceedingly fortunate in being able to secure John L. Alexander of Chicago, as the leading number for the program.

Mr. Alexander is the superintendent of the Secondary, or "Teen-age" Division of the International Sunday School Association, and is recognized as the highest authority on teen-age organization and activity in the world. He was for several years in charge of the boys' department of the Y. M. C. A. of Philadelphia and was later the first executive secretary of the Boys' Scout Movement of America in which organization he now holds an advisory position. During the great men and religion campaign Mr. Alexander was the leader of the team for "boys' work," and at the close of the campaign he was called to the International Association which he now holds. While actively interested in all the great organizations for boys and girls, he believes that all these activities may be made a part of the work of every well-organized club and Sunday school class, and thus be properly related to the church, with the Sunday school class and the Sunday School lesson as the heart of the enterprise.

As an author, speaker, camp and conference leader, Mr. Alexander is a statesman of the first rank. His personality, fine intellectual and physical qualifications, wide experience as an organizer and director of forces, make it easy for him to put tone and tonic into a gathering of leaders.

No effort will be put forth for a big delegation, but the emphasis will be placed on the quality of the work to be done and a representative delegation as to lines and types of work at issue.

The Association is fortunate in meeting at Burlington, one of the liveliest Sunday school towns in the State, with Graham, another of the liveliest, connected by trolley line, and both of these situated in one of the most responsive organized centers in the State.

The program will deal especially with educational types of work and constructive plans with reference to the Secondary, or Teen-age, Division of the Sunday school work, wherein in former years the greatest leakage has occurred; but now, however, under the new plans, the greatest strength is beginning to be felt.

The Cabarrus Cotton Mills, of Kannapolis, Wednesday filed with the Secretary of State an amendment to the charter of the concern, increasing its capital stock from \$500,000 to \$2,000,000.

The Ladies' Home Journal, The Saturday Evening Post and The Country Gentleman wish to secure the spare time of a man or woman to act as local representative in Salisbury and vicinity, looking after the renewals of their many subscriptions in this section, and introducing these publications to new readers. Payment will be made in salary and commission. Previous experience is desirable but not essential.
