Mrs. Lipe Entertains the Do-as-You-Please Club at Landis.

One of the most pleasant events in the social circle of Landis was on last Thursday night when Mr and Mrs G O Lipe entertained the ladies of the Do-as-You-Please Club and their husbands and friends in a delightful manner. At 8 o'clock the doors of her beautiful and attractive home were open to her friends and greeted by Mr and Mrs Lipe.

The house was beautifully decorated with potted plants, festooning and bells with other Christmas greens.

The evening was delightfully spent in music and recitations. Mrs Edwards presided at the piano while Miss Vienna Linn gave some beautiful solos.

Mr Umburger entertained the society with some very charming songs these being interspersed by several recitations by Mrs J P Linn and Mrs B C Taylor.

This afforded much amusement.

The guests included: Misses Lottie Harris, Mary Rosa, Dorothy Boston, Mary Boston, Mary Miller, Christine Miller, Ruth Brown, Edna Brown, Ruth Thom, Evelyn Thom, Mesdames R O Kimball, G W Kimball and Herbert Cooper of High Point.

Prof. Chamberlain's.

"In the course of a conversation with Chamberlain Medicine Co's representative today, we had occasion to discuss in a general way the merits of their different preparations. At his suggestion I take pleasure in expressing my estimation of Chamberlain's Cough Remedy. I have a family of six children and have used this remedy in my home for years. I consider it the only cough remedy on the market. As I have tried nearly all kinds."—Earl C. Ross, Publisher Hamilton County Republican News, Syracuse, Kan.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Sold by druggists, 75c. Take Hall's Family Pills for constipation. Address: F. J. Cheney & Co., Toledo, O.

Congressman Douglas Has Some Improved Cotton Seed For The Farmer.

Mr. Editor: The Department of Agriculture has placed to my credit for distribution among the cotton farmers of my district a limited number of quart packages of improved cotton seed for trial by the cotton farmers.

Those desiring to make a test of these seeds and are willing to follow the instructions of the Department, and also make their required report to the Department of Agriculture will be furnished next season with a half bushel of the same seeds if they are satisfactory. But in no case will this be done unless the requirements of the Department are complied with.

Those desiring a trial package of these seeds will please write me a postal card at once, giving plainly the name and address. This offer is only open until my allotment is exhausted, so if anyone is interested, he should write me at once.

Those to whom seeds were sent last year need not apply as they will obtain the half bushel if they have met the conditions and requirements of last year.

Yours very respectfully,

R. L. Douglass
