Jason Litaker, in his usual brisk manner, made a short and illuminating address, and among other things suggested that, owing to the fact that Capt Mike Kimball would have to retire in time to go home and cook supper, the meeting adjourn until next Thursday at 3 p. x. Jonas arose and said that it would probably not be best to fix the time for the next meeting, for, should we have another war soon, it might be difficult to get a quorum. He thought some might not be found.

A motion to adjourn was then carried around the block and the boys all went home wondering what it was all about.

An account of the Loafers meeting will be printed later.

## About Constinution.

· Certain articles of diet tend to check movements of the bowels. The most common of these are cheese, tea and boiled milk On the other hand raw fraits, especially apples and bananas, also graham bread and whole wheat bread promote a movement of the bowels. When the bowels are bidly constipated, however, the sure way is to take one or two of Chamberlain's Tablets immediately after supper.
