The Colonial tea at the school auditorium last night given by the Ladies' Aid Society, of St Mark's E L church was well attended and enjoyed by a large number of people.

H D McCorkle has some ancient marriage license, one of which dates back to 1781 when Rev Samuel E McCorkle, his great great-grandfather, who was one of the first ministers of the Thyatria congregation at Mill Bridge, officiated.

Rev Robert P Ellington of Saxapahaw, N. C., preached in the Baptist church here Tuesday night. This was in the nature of a trial sermon and it may be Rev Ellington will be called to serve the church here, however, no decision has been reached as to this yet.

### \$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's catarrh cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's catarrh cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for testimonials. Address: F. J. Cheney & Co., Toledo, O. Sold by all druggists, 75c.

Take Hall's family pills for constipation.

### Building and Loan Statement.

Attention is called to the Rowan County Building and Loan Association to be found in this paper. This is a splendid organization and is doing much good work. Its resources are over \$49,000. The Bank of China Grove's resources are about \$151,000, making a total of over \$200,000 for these two China Grove financial institutions.

### Chamberlain's Tablets.

These Tablets are intended especially for disorders of the stomach, liver and bowels. If you are troubled with heartburn, indigestion or constipation they will do you good.

### Fourth Redpath Lyceum Entertainment Nov 1: Friday Night in School House.

The last and most important number of the Redpath Lyceum course will be given in the High School auditorium next Friday night, March 2nd, at 8 o'clock.

The subject, "Community Interest," is a vital one, and every one interested in the welfare and improvement of his home community should bear it. The China Grove committee was very fortunate in securing Nelson S. Darling, a business man and efficiency expert of national reputation for this number.

The theme of the lecture is co-operation and organization and Mr Darling drives his arguments home with a wit and eloquence that wins and convinces his audience. Darling and his lecture are different. He makes you laugh, and he compels you to think. His plea is for home patronage, better roads, better schools, town building and community improvement, through community co-operation.

The Onarga, Illinois, "Leader" had the following to say of his lecture at their 1916 Chautauqua:

Nels Darling: The town doctor was a wonder and after hearing him no one went away feeling that the time had not been well employed. Darling is the man who put the punch in community spirit and gave a new and progressive definition of the term. He is somewhat after the style of Sam Jones, only more versatile, more dramatic and covers a larger multitude of sins. He is a fellow whose penetrate the thickest skull and vibrate the brightest intellect. His wit is the ripensaw type, cutting both ways. He leaves nothing to be inferred for what he omits in words he makes up in action. He kept his audience in constant laughter, but it was Sunday laughter, a type appropriate to the day and the occasion, in which each sally was fraught with the burden of some deep and lasting truth. After Chautauqua he was escorted to the Community Club rooms where he met the members of the Club and gave them a few minutes talk concerning what might and should be accomplished by an institution of this kind. The Sunday evening crowd was immense.

### Winter Brings Colds to Children.

A child rarely goes through the whole winter without a cold, and every mother should have a reliable remedy handy. Fever, sore throat, tight chest and croupy coughs are sure symptoms. A dose of Dr Bell's Pine Tar Honey will loosen the phlegm, relieve the congested lungs and stop the cough. Its antiseptic pine balsams heal and soothe. For croup, whooping cough and chronic bronchial troubles try Dr. Bell's Pine Tar Honey. At all druggists, 25c.

### Will Observe Week of Prayer.

The Womens Missionary Society of St. Mark's church will observe the first week in Lent as their week of prayer and self denial. Beginning on Monday the 26th, services every afternoon at three o'clock except Saturday afternoon. Ladies of the town are cordially invited to attend these services.

### Constipation Makes You Dull.

That draggy, listless, oppressed feeling generally results from constipation. The intestines are clogged and the blood becomes poisoned. Relieve this condition at once with Dr King's New Life Pills; this gentle, non-gripping laxative is quickly effective. A dose at bedtime will make you feel brighter in the morning. Get a bottle today at your druggist, 25c.

### PROTECTING HEALTH IN FEBRUARY.

One of the many Bulletins Being Sent out That is Worth Consideration.

"If it is true that February is the unhealthiest month in the year, is there anything a man can do to protect himself during this month?" This question was asked the State Board of Health recently and received the following reply: "It is true that February has the highest sickness rates of any month of the year. Last year this fact was well tested in New York City. A census was taken in August and another one in February of a district that contains almost 30,000 people. The August census showed that the sickness rate was only 8 per 1,000 population while the February rate was 25. In other words, there was three times as much sickness in February as in August. The census showed further that 75 percent of those unable to work in February were ill with colds, pneumonia, bronchitis, and diseases of the breathing apparatus. Rheumatism and digestive disturbances were numerous as also were nervous diseases.

"It appears from the foregoing statement that February sickness is largely preventable, therefore there is much a man can do to guard his health during this month. Fortunately for those who would take such precautions, usually whatever is done to guard against one disease guards against several. To prevent colds which is in the main to create a resistance to colds by living and sleeping in fresh air and by avoiding overheated rooms. People with colds, overeating and constipation, will largely prevent all pneumonia, grippe and bronchitis.

To relieve rheumatism, which is quite frequently done by having the teeth repaired the gums and tonsils treated or adenoids removed. Will also relieve digestive disturbances and nervous disorders. To keep the body in a fine, healthy condition is the best safeguard for one's health at any time."

### About Constipation.

Certain articles of diet tend to check movements of the bowels. The most common of these are cheese, tea and boiled milk. On the other hand raw fruits, especially apples and bananas, also Graham bread and whole wheat bread promote a movement of the bowels. When the bowels are badly constipated, however, the sure way is to take one or two of Chamberlain's Tablets immediately after supper.

### Rev. Beaker to Preach Farewell Sermon.

Rev. S J Beaker, who has been serving the Baptist Church here for some time and who has accepted a call to Dunn, N. C., will preach his farewell sermon Sunday and will leave during the latter part of the coming week. China Grove regrets to give up Rev. and Mrs. Beaker who have made many friends here and many good wishes go with them to their new home.

### Rev. Shearouse Resigns.

Rev. O. B. Shearouse, pastor of the Enochville pastorate, has resigned his work in said pastorate, resignation to take effect the 8th of April, 1917. For five years Rev. Shearouse has done a splendid work among those good people who are loathe to give him up. He has accepted work at Prosperity, S. C. In his removal the North Carolina Synod loses a faithful pastor.

### Preaching Mission.

Beginning Sunday night, February 25, preaching services will be held in the Episcopal church of the Ascension, for six days. The preacher of the mission will be the Rev. Theodore Andrews, of Lexington.

Services 10 a. m. and 7 p. m. and others as announced.

Subjects for the mission: Sunday 7 p. m., God Monday, Man, Sin.

Tuesday, Redemption, The Church.

Wednesday, Sacrament, Faith.

Thursday, Bible, Prayer.

Friday, Conversion.

Holly Communion, Wednesday, 7:45 a. m., Friday, 10 a. m.

The public is invited to attend these services.

### When You Have a Cold.

It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remedy. Mrs. Frank Crocker, Pana, Ill., writes: "Our five-year old son Paul caught a severe cold last winter that settled on his lungs and he had terrible coughing spells. We were greatly worried about him as the medicine we gave him did not help him in the least. A neighbor spoke so highly of Chamberlain's Cough Remedy that I got a bottle of it. The first dose benefited him so much that I continued giving it to him until he was cured."

### Swap Residences.

W. R. Yost, who purchased the Patterson cottage, moved in to it Wednesday and W. W. Ricks, who was occupying this cottage, moved into the Sechler house vacated by Mr. Yost, the drayman making a load coming and going, an incident somewhat out of the ordinary.

### Hint to the Aged.

If people past sixty years of age could be persuaded to go to bed as soon as they take cold and remain in bed for one or two days they would recover much more quickly, especially if they take Chamberlain's Cough Remedy. There would also be less danger of the cold being followed, by any of the more serious diseases.

### DEATHS

Mrs L T Bame, an elderly lady died at her home here quite suddenly Wednesday morning. Mrs. Bame had been afflicted with dropsy for some time but was able to be up and stated that she felt some better, but in a few minutes she became worse and died before a doctor could reach her. Her remains were taken to Faith yesterday morning where the funeral and interment took place. Rev. C. P. Fisher of the Lutheran church, officiating. It has not been more than two weeks since Mrs. Bame's daughter, Mrs. Clarence Wagoner, preceded her to the grave. She also, was taken to Faith for interment.

### Clean Up Days.

China Grove has two clean up days, Thursday and Friday, March 29th and 30th. These dates have been decided on by Mayor Voss and the board of alderman and it is hoped every one will take an interest in our regular spring cleaning and do their part. It is desired that all rubbish of every character be placed on the street, conveniently located so that the wagons can get it when making their rounds for this purpose. All together for a cleaner, healthier China Grove.
