Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced, just take a spoonful of harmless Dodson's Liver Tone tonight. Your druggist or dealer sells you a bottle of Dodson's Liver Tone for a few cents under my

personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick. Dodson's Liver Tone is real liver medicine. You'll know it next morning, because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not siltate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of calomel is almost stopped entirely here.—Adv.

Camouflage Saves Rabbit.
On the prairie of Kansas camouflage is being made use of by the Kansas jackrabbit. Two residents can testify that at least one "jack" in Barton county owes his life to the fact that he knew the value of this art. The two men were hunting on a farm near here when close at hand a Russian thistle jumped up and started off across the pasture at a 2:40 gait. When the thistle had got out of range a rabbit emerged from its protecting cover and loped off nonchalantly while to the bewildered hunters slowly came the realization that they had been victims of a clever camouflage on the part of a western Kansas jackrabbit.—New York World.

BOSCHEE'S GERMAN SYRUP

It gives the patient a good night's rest, free from coughing, with easy expectoration in the morning, gives nature a chance to soothe the inflamed parts, throw off the disease, helping the patient to regain his health. Made in America and sold for more than half a century.—Adv.

The Kaiser's Dream.
"The Kaiser's dream," said a senator the other day, "was a dream of world domination, but he has already begun to experience a rude awakening."
The Kaiser is now in exactly the same position as Wash White. Farmer Cornelius Husk heard a noise in his chicken house one night, tiptoed down with a shotgun, and discovered Wash in the act of filling a burlap bag with chickens.

"Wash, you rascal, what are you doing there?" said Corny Husk.
"It's all right, sah," Wash replied.
"I'm here on account of a dream I had, sah."
"A dream? You black scoundrel, what are you talking about?"
"Well, sah," said Wash, "I dreamed I was goin' to have chicken fo' dinner tomorrow; but I see now it ain't true."

SECRETARY BAKER BACK FROM FRANCE

PREPARED TO PUSH MOVEMENT
OF AMERICAN SOLDIERS
TO EUROPE.

TOOK POSITION OF SOLDIER

Steeled to Work by Personal Knowledge of Front—Not Under-estimating Peril of German Gains.

Washington.—Steeled to the work ahead of him by personal knowledge of conditions at the battle fronts in Europe, Secretary Baker has returned from his trip abroad, prepared to concentrate every energy on expediting the movement of American fighting men to France.

The war secretary, it is understood, is not inclined to underestimate the peril that further German successes in the present terrific onslaughts against the allied line might involve. There is no doubt, however, that he believes adequate measures to checkmate the German effort will come out of the pooling of all allied and American resources under command of General Foch, the impressive French commander-in-chief.

On his arrival at an Atlantic port, Mr. Baker authorized this statement: "I return with a sense of pride and confidence at the achievements of the United States and allied troops abroad that would justify many trips across the water."
Whatever direct information the war secretary may have as to the plans of General Foch will be for the ear of President Wilson alone.

There have been many reports that Mr. Baker went to Europe for the purpose of urging unification of all allied armies under a single commander. He had no comment to make on this. The prompt action of General Pershing in placing his men at General Foch's disposal is known to have met with Mr. Baker's hearty approval.

During the trip, Mr. Baker visited England, France and Italy, and saw the battle fronts all along the line. He has been in the American front line trenches under fire; once a German shell exploded close to him.
When he reached France, the war secretary placed himself in the position of an American soldier, just arrived at the goal of his ambition "over there."

When he left for Europe, Mr. Baker put the war department routine from his mind. It will take him some days to catch step fully with what has gone forward in his absence. He is expected, however, to face his problems with a new perspective, and officials here anticipate that the result will be shown in the nature of his decisions, for to a man filled with the spirit of the army in France, there is no room for petty obstacles.

THREE IMPORTANT TOWNS CAPTURED BY GERMANS

Germany's mighty effort on the battlefield of Flanders has won new successes. According to the latest reports, the important strategic towns of Baillieu, Wulverghem and Wyttschaete, are in German hands and, more important still, the Teutons have carried a large part of Messines ridge by storm.

Probably there has been no more bitter struggle during the war than that waged along the battle line through the towns of Baillieu, Neuve Eglise, Wulverghem and Wyttschaete. Neuve Eglise was taken Monday, but Baillieu held out until fresh masses of German troops were hurled into the fray and charged repeated on the tired defenders. The same story might be told of Wulverghem and Wyttschaete, while the battle for Messines ridge must have been frightful in its intensity.

The Germans have not attempted to advance their wedge further into the British lines, for no new attacks on Merville and further west have been reported.

TURKEY AND BULGARIA DISPUTE OVER BOUNDARY

Washington.—Spoils of war have given rise to serious boundary disputes between Turkey and Bulgaria, which Germany is undertaking to smooth away to prevent a rupture between her vassal-allies. An official dispatch from Switzerland says, "Mr. Helfferich has returned to Berlin, coming from great headquarters, where he held a long conference with the emperor, Hindenburg, Ludendorff and the chancellor.

SITUATION IN AUSTRIA MORE CRITICAL THAN EVER

Washington.—The economic situation in Austria is more critical than at any time since the war began, according to an official dispatch. The Vienna Neue Freie Presse, says the dispatch, announced that lamentable scenes alternate each day with tumultuous ones in the different markets in Vienna, where meat is unobtainable. The burgomaster of Vienna declared that the sanitary service, estimated at 25 per cent the food deficit.

NERVES GAVE OUT Serious Kidney Trouble Had Made Life Miserable, But Doan's Removed All the Trouble. Hasn't Suffered Since.

"I had such severe pains in my back," says Mrs. Albert Akroyd, 324 W. Indiana Avenue, Philadelphia, Pa., "that they almost doubled me up. Many a day I could not do my housework and at every move it seemed as if my back would break in two. My feet and ankles swelled until I had to wear large-sized slippers and sometimes I couldn't stand up."

"I had dizzy spells and dreadful headaches and fiery flashes passed by Mrs. Akroyd for my eyes. Had a heavy weight been resting on my head, the pain could not have been more distressing. The least noise startled me, I was so nervous. I couldn't control the kidney secretions and the pain in passage was awful."
"It began to look as though my case was beyond the reach of medicine until I used Doan's Kidney Pills. The first box benefited me and four boxes cured all the troubles. I have had no further cause for complaint."
