Get Rid of Your Rheumatism.

Now is the time to get rid of your rheumatism. You will find Chamberlain's Liniment a great help. The relief which it affords is alone worth many times its cost.

The Call of Liberty.

Thousands of boys are going to France, To uphold the ideals of our nation, The hearts of men are being tested today, As never before in this generation, And whether we go or whether we stay, If we fall in the last against autocracy, Are we worth the price these boys will pay "To make the world safe for democracy"

The spirit of Patrick Henry is calling, Today we are feeling its quickening breath, As it reaches the heart of every patriot, And they cry aloud "Give us liberty or death" Say! shall we, who have learned to value Of a priceless freedom, stand a hand To help win in this death struggle, for the Sake of Freedom in another land. The religion of Christ is the true foundation, Upon which is built our civilization, And it will not perish, and cannot be hurried To destruction, by the cannon of a war cursed world. The lives of our boys we are offering today, In the trenches of France they asked to pay, The highest of prices our homes to defend, They lay down their life for the sake of a friend, And out of the chaos of battle will rise The burning of incense, and our sacrifice, Will be measured by the standard of those battalions of men, Who have marched away, our homes to defend, Shall we be idle when we have a chance, To help win the battle that is raging in France, That a world may grow better and be purified, By the blood of the slain and of Him glorified? HENRY A EARNHARDT, China Grove, N C.
