

I am Sincere! Stop Calomel!
I Guarantee Dodson's Liver Tone

Listen to me! Calomel sickens and you may lose a day's work. If bilious, constipated or headachy read my guarantee.

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel, because it makes you sick and you may lose a day's work.

Calomel is mercury or quicksilver, which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced, just take a spoonful of harmless Dodson's Liver Tone tonight. Your druggist or dealer sells you a bottle of Dodson's Liver Tone for a few cents under my

personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick. Dodson's Liver Tone is real liver medicine. You'll know it next morning, because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of calomel is almost stopped entirely here.—Adv.

**13 Dollars—
13 Cents**

When Swift & Company paid, say,—13 dollars per hundredweight for live beef cattle last year, the profit was only 13 cents! In other words, if we had paid \$13.13, we would have made no profit.

Or, if we had received a quarter of a cent per pound less for dressed beef we would have made no profit.

It is doubtful whether any other business is run on so close a margin of profit.

This is bringing the producer and the consumer pretty close together—which should be the object of any industry turning raw material into a useful form.

This remarkable showing is due to enormous volume, perfected facilities (packing plants strategically located, branch houses, refrigerator cars, etc.), and an army of men and women chosen and trained to do their special work.

This, and many other points of interest, are found in the Swift & Company Year Book for 1919, just published which is brought out for the public as well as for the 25,000 Swift & Company shareholders.

The Year Book also represents the packer's side of the Federal Trade Commission investigation, upon which Congress is asked to base action against the industry.

Many who have never heard the packer's side are sending for the Year Book.

Would you like one? Merely mail your name and address to the Chicago office and the book will come to you.

**A CHILD GETS SICK
CROSS, FEVERISH
IF CONSTIPATED**

LOOK AT TONGUE! THEN GIVE FRUIT LAXATIVE FOR STOMACH, LIVER, BOWELS.

"CALIFORNIA SYRUP OF FIGS" CAN'T HARM CHILDREN AND THEY LOVE IT.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign the little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a tea-spoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."—Adv.

MEANT TO OBEY HIS ORDERS

Sentry Decidedly Emphatic in His Refusal to Allow Visitor to Come Aboard the Ship.

Captain Bladin, a Salvation army chaplain from New Zealand, who has done good service in France, tells the following story: "After the arrival of a transport at Plymouth sound, England, a soldier was placed on duty near the rope ladder, with instructions that no one must be allowed aboard.

Shortly afterward the chug-chug of a motor engine was heard, and a trim little launch drew alongside, from which a voice hailed the sentry in peremptory tones: "Lower the ladder!"

"No one allowed aboard this ship. Them's my orders," replied the unbending soldier.

This called forth a repeat order in tremendous voice, the owner of the same informing the sentryman that he was the admiralty pilot!

"I don't care if you're old Pontius Pilate himself," rejoined the soldier, "you don't get aboard this ship."

Tired Nervous Mothers
Should Profit by the Experience of These Two Women

Buffalo, N. Y.—"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia E. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my household work."—Mrs. B. B. ZIELINSKA, 202 Weiss Street, Buffalo, N. Y.

Portland, Ind.—"I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."—Mrs. JOSEPHINE KIMBLE, 935 West Race Street, Portland, Ind.

Age before beauty—the century plant.

Do you feel tired and "worn-out"? Are you nervous and irritable? Don't sleep well at night? Have a "dragged out," unrested feeling when you get up in the morning? Dizzy spells? Bilious? Bad taste in the mouth, back-ache, pain or soreness in the loins, and abdomen? Severe distress when urinating, bloody, cloudy urine or sediment? All these indicate gravel or stone in the bladder, or that the poisonous microbes, which are always in your system, have attacked your kidneys.

You should use GOLD MEDAL Haarlem Oil Capsules immediately. The oil soaks gently into the walls and lining of the kidneys, and the little poisonous animal germs, which are causing the inflammation, are immediately attacked and chased out of your system without inconvenience or pain.

Don't ignore the "little pains and aches," especially backaches. They may be little now but there is no telling how soon a dangerous or fatal disease of which they are the forerunners may show itself. Go after the cause of that backache at once, or you may find yourself in the grip of an incurable disease.

Do not delay a minute. Go to your druggist and insist on his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. In 24 hours you will feel renewed health and vigor. After you have cured yourself, continue to take one or two Capsules each day so as to keep in first-class condition, and ward off the danger of future attacks. Money refunded if they do not help you. Ask for the original imported GOLD MEDAL brand, and thus be sure of getting the genuine.—Adv.
