### No Need For Types.

second time in the history of the modern publishing industry magazine was issued today without the aid of compositors. The experiment was first made a week by the Literary county on this work. Digest, one of the periodicals forced to suspend by the lockout and strike of the local printing trade Nugent's weekly a national magazine devoted to the manufacture of women's garments followed the example of the Literary Digest today with the armouncement that publication would be naintained by the same process every week until the strike was ended.

The trade magazine claimed to have made considerable advances over its literary contemporary in methods. The same process of typwriting and then photo now this would be provided, but graphing the pages was used. By use of a special typewriter the lines were justified or equalized free from any negative which you may send in length. A special process essary to preserve order or was also used in the electric engraving, said to be a method recently patened and now tried for the first time.

#### WITH THE INFLUENZA RETURN?

# Naval Officer Charges Pro-Germanism Against Public Health Authorities Predict Its Recur-

# Increase Strength.

Surgeon General Blue of the United States Public Health Service, in a recent statement from Washington, warns the public that the much dreaded influenza epedemic will probably return this fall and "winter. All medical authorities agree that the weak, bloodless, rundown individual is more likely to contract this las any other infectious disease than is the strong, robust, red blooded man or woman, In view of these facts, it is wise to use every ef fort so build up the blood and thus increase the bodily resist ince to the invasion of the germ of the disease. Gude's Pepto langan is an absolutely depend able red blood builder in all con litions of lowered vitalities not lue fo serious disease of the vital organs. It improves the appe tite, imparts color to the cheeks. and creates new hope and ambi tion in those who have become pale, weak and listless. Php-i cians recommend Gude's Pepto Mangan. When you order, be sure the word "Gude's," is on the package Without "Gude's it is not Pepto Magan. Furnished both liquid and tablet form, For sale by all druggists.

Washington, Oct. 30 .- President Wilson sent to the senate the name of Representatives Yates Webb for appointment as judge of the tederal court of the western district of North Carolina.

Action is expected by the North Carolina Senator's on the appointment by nexty Tues-

There is nothing in the way of Mr Webb's confirmation, as Judge Boyd's request for an additional judge, transmitted to the President, removes the opposition of the republicans.

The senate confirmed the appointment of Mr Webb this after
