## That Tired Feeling

It is a dangerous condition due directly to depleted or impure blood. It should not be allowed to continue, as in its debility the system is especially liable to serious attacks of disease. It is remarkable how beneficial Hood's Sarsaparilla is in this enervating state. Possessing just those elements which purify the blood, and impart a feeling of serene strength which the system needs and readily seizes. Hood's Sarsaparilla is the best remedy for that weakness which prevails at change of season, climate or life. It has been proven that Hood's Sarsaparilla is one of the greatst medicines in the world. It is for the benefit of all other tired out, run down, hard-working women. Hood's Sarsaparilla is not only excellent as a blood purifier, but for all other female complaints, even if of long standing. Mrs. M. A. SCARLETT, Northville P. O., Mich. Hood's Sarsaparilla, 50¢ per bottle. Prepared only by C. I. HOOD & CO., Apothecaries, Lowell, Mass. **100 CENTS ONE DOLLAR.**

Spring term opens January 5th, 1891. This institution is situated in the southern part of Stanly county, in the village of Norwood, at the terminus of the Norfolk and Western Railroad. The climate is salubrious and the healthfulness of the village is unsurpassed in this section of our State. No interesting locations are so near. The spirit and beauty of this location tempt students from nearly all temptations of vice, extravagance and wrong.
