

THE CONCORD TIMES.
PUBLISHED WEEKLY.
CONCORD, N. C., March 14, 1895.
RIVAL OF TRAINS AT CONCORD.
The Richmond and North Carolina Railroad Company has been notified by the Interstate Commerce Commission that it must run a train between Concord and Washington, D. C., at least once a week. The New York and Florida Railroad Company has also been notified that it must run a train between Concord and Washington, D. C., at least once a week. The Southern Railway Company has also been notified that it must run a train between Concord and Washington, D. C., at least once a week. It is expected that these trains will be run by the end of the month.

LOCAL AND OTHERWISE.
Miss Mattie Cook is visiting in town.
Mr. and Mrs. S. E. White, of Hillsboro, are visiting here this week.
Mr. J. M. Pemberton, of Asheville, was here Monday.

Mr. W. O. Correll returned to Spartanburg this morning.
The Legislature adjourned this morning at 12:15 o'clock. Thank goodness, it's over.
The Daily Cassell suspended yesterday, it having failed to pay expenses.

The statement is made that, with the exception of Otto Wilson, not a single man has been elected to an office by this Legislature who was not a member or the relative of a member.
The Chinese Ten was repeated at Judge Montgomery's last Tuesday night and was a success. About \$13 was realized, and an amount will be applied toward a purchase of a new carpet for Central Methodist church. The carpet will be purchased and placed in the church soon.

News was received here last week that Mr. Jno. W. Foster, of Belmont, while endeavoring to board a street car, slipped on the ice, and was badly hurt. The accident occurred on Wednesday night. His face was badly bruised and cut by his eye glasses. He is suffering very much. Mr. Foster is a brother of Messrs. P. B. and N. D. Fetzer, of Concord, and a brother-in-law of Mr. J. Freeman.

An Elopement and a Shooting.
Last Saturday morning the wife of Bob Kennedy, colored, of Concord, told him she was going to Stanley to see her mother, who was at the point of death. She started out alone before day. She was joined near the slaughter pen by a man named Alexander, who went on together. Bob received a letter from his wife's mother Monday morning saying she had never enjoyed better health in her life. Alexander being missed from town, Bob put the two circumstances together and concluded that they had eloped. He started out after them, but was unable to find them. He asked his wife where Jim was. At that moment Jim, who was sitting so he could not be seen, made a movement, when Bob drew his pistol and fired. The ball struck Jim's forehead, but did not hurt him. He was not hurt much. He was taken to Concord, where his wife did not come with him. Alexander left a wife but no children, and his paragon left six children.

Bob says that Jim drew his pistol to save him, and that he shot him in self defense.
The woman is a small yellow woman, and weighing about 120 pounds, and is a tall yellow man over six feet high.

Shenwell Moved to Charlotte.
Mr. Baxter Shenwell, of Lexington, the slayer of Dr. R. L. Payne, Sr., was moved from the Lexington jail to the jail at Charlotte last Saturday night. This was done by Judge Brown, after he decided not to try the case on account of his wife's connection with the family of Dr. Payne. A special term of Davidson court will hold the first week in July to sit on the case. It is not yet known what Judge will hold the court. Judge Hoke probably.

Judge Montgomery spent last Thursday, Friday and Saturday in Lexington. Judge Armfield has been added to the counsel for the defense.
The Charlotte Observer says that Mrs. Shenwell and her children are now in Charlotte Monday, and that Mrs. Shenwell was buying articles of furnishing for her husband's room at the jail.

Amendments to the Town Charter.
The Legislature passed the bill amending the charter of Concord in several particulars. Hereafter all commissioners will be elected by wards, each ward electing two. The salary of the mayor was placed at \$400, and all fees are to be turned into the town treasury. All farming lands in the corporation are to be assessed as farming lands and not as town lots or property. We are assured, however, that this is unconstitutional and will not stand. The Legislature did not allow for the increase of taxes proposed. As ward No. 4, is a Republican ward, and the other three Republican commissioners hereafter.

Bids to be Received for Carrying the Mail on the Rimer Route.
Advertisements have been posted calling for bids for carrying the mails from Concord to Klutz, Rimer and Govern and back to Concord from May 7, 1895, to June 30, 1896. The mail is to leave Concord at 9 a. m. on Tuesdays, Thursdays and Saturdays, and to arrive at Concord at 5 p. m. of same day. All proposals must be in the form prescribed by the Department, and accompanied by a bond executed by the bidder and two or more sureties in the sum of \$400. Blank forms may be had of the postmaster of Concord, who will receive bids until March 23, at which time all bids will be forwarded to the Department.

Change of Railroad Schedule.
The Charlotte Observer says that a change or schedule on the Southern Railroad will take place next Sunday. The morning train going north will pass Concord about 9:10, and the evening train in the same direction will pass at 7:40. The local train going south will change to the Rimer special going north will pass here about 11:50 p. m. We will publish the exact schedule next week.

MONROE, March 13.—Last January two or three masked men robbed Mr. Fred Threat of \$3,000, the greater part of which was in gold. As has been stated Ernest Fincher, a white man 23 years old, was some days ago arrested and jailed here.
For the last three or four days he has preferred a hotel to the jail. He had himself removed to the Stewart House under charge of an officer, and is now paying his own expenses there. He, the detectives and officer have all been occupying the same room, which was large enough for all. Believing that the evidence was very strong against him, he made a voluntary confession, but so far does not admit that he had any accomplices.

Just in company with an officer and one detective, went to an old out-house about 800 yards from his father's house, which is about five miles from here, and told them to look under the hearth and see what they could find. They did so and found \$1,000 in gold.
Just where the other \$2,000 is, or what has gone with it, is the question that now engages people's minds. Mr. Fincher is still boarding at the Stewart House, and is under an officer. He is perfectly cool, talks well and seems little concerned about the matter. The case will be heard Tuesday morning, when interesting developments are looked for. It is doubted whether the remaining \$2,000 will ever be recovered.

Confederate Veterans Association.
The Confederate Veterans Association of Cabarrus county was called to order by Capt. McDonald, in Concord, March 9, 1895.
Jno. S. Turner was required to act as Chairman, and J. R. Ervin as Secretary. The object of the meeting was to adopt resolutions commemorative of the death of Gen. Rufus Barringer and Jesse F. Williford. Upon motion a committee of three, consisting of C. McDonald, D. A. Caldwell, and F. A. Archibald, was appointed to draft resolutions in memory of Gen. Barringer and P. B. Means, C. A. Pitts and W. D. Anthony were appointed a Committee to draft resolutions in memory of Jesse F. Williford.

Committees reported resolutions, which, upon motion were adopted and ordered published in the Concord papers, and engrossed copies sent to the families of the deceased. The resolutions are as follows:
Resolved 1. That with deep and sincere regret the Confederate Veterans Association of Cabarrus county has heard of the death of their comrade Gen. Rufus Barringer.
Resolved 2. That in his death this Association has lost an honored and beloved member, and the State of North Carolina one of its best and truest citizens.
Resolved 3. That in all the qualities of a soldier he was worthy of the high position of a Brigadier General of the Army of Northern Virginia.
Resolved 4. That his character was such as to impress favorably and for good all those who knew him; that the memory of it will speak for him in good results while the generations that lived with him survived; and as character is all that a man can take with him out of this world we believe that he is now receiving the reward of his good deeds by our Great Commander-in-Chief as that of a true soldier of his cross.
D. McDonald, Chairman,
C. A. CALDWELL,
F. A. ARCHIBALD.

Resolved 1. That the death of Comrade Jesse F. Williford has filled the members of this Association with sorrow.
Resolved 2. That we mourn his loss and cherish his memory as our last president and endeared comrade, and as one of the most active and zealous members in life of our Association.
Resolved 3. That more is due to him than to any other man for the erection of the beautiful monument to the memory of the Confederate dead of Cabarrus county now standing in our court house yard, and while it stands, it will be a memorial of his love, earnestness and devotion for and to the memory of the Confederate soldier and comrade.
Resolved 4. That we extend to his bereaved wife and children our trust and most affectionate sympathies.
P. B. MEANS, Chairman,
C. A. PITTS,
W. D. ANTHONY.

Albemarle News.
Mr. Jim Sollowan and wife (Gee Miss Cara Howell), of Salisbury spent Sunday in town.
Miss F. E. Ufford spent Saturday and Sunday in Locust Level.
Mr. John F. G. Correll leaves Tuesday morning for his old home in Concord, where he will study the silversmiths art. John has been "one of the boys" and will be missed from our ranks.
Mr. B. J. Pemberton, who has been acting as District Judge, will again resume his work in Asheville.
Protracted services will begin in the Methodist church here on next Sunday. The pastor Rev. Taylor, will be assisted in the work by Rev. Ira Irwin, of Thomasville.
The Star News has again changed hands—this time with Mr. Rufus A. Crowell at the wheel. We wish him much success in his new field of labor.
Nine or ten candidates were baptized in the pool of the Baptist church here Sunday.
Mrs. Blackwelder, of near China Grove, is visiting her daughter, Mrs. T. H. Johnson, of this place.
Mr. R. A. Crowell will occupy his new dwelling east of town this week.
Mr. M. F. Randle, of Salisbury, has come down a few days on business.
Mr. W. H. Hatcher, lecturer at large for the Masonic Grand Lodge, will close his two weeks lecturing here, Tuesday night. Some of the ladies are joining the lodge here.
Much sadness has prevailed in our town the past few days owing to the death and burial of one of our brightest and most popular young ladies, Miss Ellen Seago. Her parents were suddenly summoned to her bedside at the home of Mr. B. N. Henry, of Lilesville, in whose family she acted as private teacher, and in the same breath almost we learned of her death. She died on Saturday, about 12:30 o'clock, p. m. of pneumonia, and was buried Monday in Albemarle cemetery. An unusually large concourse of friends and acquaintances attended the funeral exercises, conducted in the M. E. Church. B. March 11, '95.

A Statistician has made an estimate of the total cost of the recent street car strike in Brooklyn, in which nearly 5,000 men were engaged and which ended in a failure. "The men lost \$250,000 in wages and spent about \$125,000 \$30,000 of which was contributed by sympathizers. The business of the city was greatly damaged during the month, and the cost of the militia of the State will be \$200,000. The companies also lost hundreds of thousands. How much the general business of Brooklyn suffered, is not easily calculated, but some of the estimates run into millions."

It is reported that the new bridge over the river at Concord, N. C., will be completed by the end of the month. The bridge is to be a steel truss bridge, and will be 1,000 feet long. It is to be built by the Concord Bridge Company, and will cost about \$100,000. It is expected that it will be opened to traffic by the end of the month.

Where Do Jake Boger, Amos Melchor and Others, Come In?
Douglas Hileman in his campaign promised that the people should elect their own magistrates. Instead of that, he has had a list appointed by the Legislature. Why was this, Mr. Hileman? If the principle of appointing magistrates by the Legislature is wrong, why did you not try to change it, and why did you have these magistrates appointed? Is it wrong for the Democrats to appoint them and not for the Republicans? Why did not the "dear people," to whom he appealed with so much fervor, have the precious privilege of electing their magistrates this year? Will you please tell us, Mr. Hileman?

We have not yet seen the list for this county. We don't know whether there are any negroes in the crowd or not. This Legislature has appointed about 80 negro magistrates in the State. If Mr. Hileman hasn't had some negroes appointed, he is certainly most ungrateful to them. He unquestionably owes his election to them. We think the negroes are as good as appointed by other sections of the State, and if the negro magistrates have been appointed in other counties, why should not the Cabarrus negroes share in the honor? Where is Amos Melchor? Where is Jake Boger, and others? Do you think, colored men, that Hileman has "fought fair" with you?

Mrs. Barker at Forest Hill.
Mrs. Helen Barker, Treasurer of the National Woman's Christian Temperance Union, held three interesting meetings here last week. Mrs. Barker is a woman of fine intellect, Christian culture, broad views, and forcible speech; while her dignity, self-possession, and sympathetic nature draws the attention of her audience and holds them with unabated interest throughout her excellent address. Her masterly presentation of an old subject in new dress is original and unique, and her visit to our town has been an inspiration to her audience, and an uplift to the local union. While all her meetings were good, the complete arrangements and kindness of Forest Hill church renders the meeting there one of special prominence. The church was full, the music appropriate and well received by her audience, and the people exceptional. At the close of the service a collection was lifted for State Temperance work amounting to \$15.65, and four new members added to the local union.

Mr. Smith, of Stanley.
The News and Observer has the following reference to Mr. Robert Smith, the able and scholarly representative of Stanley in the House:
A gentleman who heard the debate in the House on the Confederate Monument bill said that Mr. Smith, of Stanley, made one of the most appropriate and effective speeches that was made on that interesting occasion. He spoke directly to the matter at issue; and proved with great force of reason and eloquence, that the monument commemorating the virtues of our dead heroes, will contribute more to the education of the youth of coming ages in virtue and patriotism than anything else we can hand down to them. It is in the interest of the children of the brave Confederate soldiers, that the monument should be raised. Mr. Smith is to be congratulated upon his happy effort in the interest of a noble cause.

UNTOLD MISERY FROM RHEUMATISM
C. H. KING, Water Valley, Miss., cured by Ayer's Sarsaparilla

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, but without success. At last, I purchased Ayer's Sarsaparilla, and after using it a few bottles, I was cured. I can now do my full day's work as a railroad blacksmith."

THE CELEBRATED
Majestic Steel Range Stoves

are being exhibited this week at
Yorke & Wadsworth's

You are invited there to see them. Come along while the exhibits are going on.

Big Lot!
PANTS CLOTH
To Close Out Cheap.
Overall Cloth. Overall Cloth,
worth 15 and 20 cents, to go at 8 1/2 cents.

NOW IS YOUR TIME!
YES YOU DO.
THEN WHY NOT BUY IT NOW?

Well, we can tell you why you ought to buy one now. First, because you need it now and will need it for two months yet. It may save your life or a big doctor bill. Second, you can buy an overcoat now cheaper than you will be able to get one again till this time next year. We have just bought a lot of cheap overcoats that we are going to close out at less than the manufacturer's price. For instance: We will sell a good, heavy overcoat for \$2.50 that cost at wholesale \$3.00, and \$2.75 we give you a coat that cost last fall \$3.25 and at \$3.00 we give you a coat that cost \$4.00 last fall—and so on. Then if you want a

GOOD SUIT!
you can save not only the usual profit, but you can buy it at less than the wholesale price. We have just gotten in a lot of clothing that was shipped to a merchant in Mississippi last October, but never reached him. It lay in some railroad depot till about two weeks ago when we bought it at half cost. Out of this lot we can give you a \$12.50 suit for \$7.50, and a \$10.00 suit for \$5.50 and a \$5.00 suit for \$3.00. We also have just bought about

150 BOY SUITS
at a great sacrifice to close out the end of a winter stock of a large Philadelphia Manufacturer. Boys suits that sold at from \$2.75 to \$2.50 at wholesale, we are now selling at \$2.50. We also have bargains in Shoes. We are always "up to date." We protect our customers to the fullest extent. We are constantly working to working to reduce the price of goods and we will not, and cannot be undersold.

Come to us for what you want and we will guarantee prices against the State.
