## Dr. Thacher's LIVER & BLOOD SYRUP CURES

A Remedy That No One Is  
Afraid To Take.

Dr. Thacher's Liver and Blood Syrup

has been used in thousands of homes for

fifty-two years with perfect confidence

and the most remarkable results.

The great success of this remedy is due

to the fact that its formula (which con-

sists of Bachu, Hydrangea, Mandrake,

Yellow Dock, Dandelion, Sarsaparilla,

Gentian, Senega and Iodide of Potassium)

has been freely published.

Doctors and Druggists everywhere do

not hesitate to recommend a preparation

which they know contains the best

known remedies for correcting all irreg-

ularities of the Liver, Kidneys or Blood,

and the diseases caused by the failure of

these functions to perform their proper

work.

Thousands of sick ones to whom life

has been a burden have written grateful

letters that others might profit by their

experience.

**BLUENING GROVES, TEX., Nov. 15, 1903.**

I was suffering terribly with indigestion and

kidney trouble and sent to my druggist for

some simple pills and "Dr. Thacher's

Health Book."

As he sent me a package of Dr. Thacher's

Liver and Blood Syrup I concluded to try it,

and now I am deeply grateful to my druggist

as he was so kind to send me a copy of the

book.

I had been suffering from these things and

a general run-down condition for ten years,

and had only received temporary relief from

other medicines. But after using not quite two

packages of your Liver and Blood Syrup I feel

as stout and hearty as I ever did in my life, and

am satisfied that I am entirely cured. I feel

no symptoms whatever of kidney trouble, and

my digestion is as good as any living man's.

I can now eat what I choose.

I never had any remedy give me such quick

and permanent relief as this. I can not put a

correct estimate on the value your medicine has

been to me. I would not take any amount of

money for it. Very gratefully yours,

J. C. BROWN.

If you need a medicine write to-day for a

free sample bottle and "Dr. Thacher's

Health Book."

Give symptoms for advice.

We simply ask you to try it at our

expense. We have no other interest in it.

For each bottle Druggists—two doses—50

cents and \$1.00.

## EVERY PENNY DRAWN BY CON- FEDERATE SOLDIERS WAS AUTHORIZED BY DEMO- CRATIC LEGISLATION.

Not a penny has ever been appropri-  
ated to the old soldiers of North Caro-  
lina except by authority of Democratic  
legislation.

In 1885 the first pension law was  
passed by the Democratic legislature,  
appropriating \$30,000 for certain classes  
of disabled Confederate soldiers, and  
that law has been amended by Demo-  
cratic legislatures until to-day the ap-  
propriation amounts to \$200,000 annu-  
ally and from 1885 until now the Con-  
federate pensioners have received  
\$1,658,000.00.

For the totally blind and totally dis-  
abled Confederate soldiers the Demo-  
cratic legislature passed a law allowing  
them \$120 a year. That class received  
last year \$11,280, and they have re-  
ceived in all \$99,345.00.

The soldiers' home was organized by  
the Democratic legislature of 1891, and  
there was expended that year \$2,350.  
That has gradually increased from year  
to year until this year the appropria-  
tion amounts to \$15,000. There has  
been paid to the soldiers home since its  
organization \$130,500.

In the light of these facts we cannot  
understand why the Republican plat-  
form should persist in stating that the  
Republican party favors liberal pensions  
to the Confederate soldiers. It is true  
that there is a certain class of Confed-  
erate soldiers to whom the Republican  
leaders and their party have been very  
liberal in giving pensions, but it is to  
those Confederate soldiers who, in the  
time of their country's need, desert-  
ed the Confederate army and its cause  
and entered the Union army. They are  
not permitted to draw pensions under  
federal authority, and it is a little  
peculiar that this legislation was main-  
ly promoted by a late Republican  
senator from this State. The fact is  
the Republican party in North Carolina  
cares nothing for the Confederate sol-  
dier because the Republican party in  
this State was organized upon what  
was known as the Union sentiment,  
and for that reason the Republican  
party has been strongest in those sec-  
tions of the State where there were a  
great many Union soldiers.

## SUBSIDENCE OF PARTY SPIRIT. The People Do Not Now Fly at Each Other's Throat as They Did Charity and Children.

We are having better times than we  
used to have, brethren. There is less  
meanness in politics than in former  
times. Men are more tolerant and fur-

ious bearing, and less passionate and  
furious than they were 25 years ago. The  
leaders were never mad at each other,  
but they inflamed the people, and neigh-

bor turned against neighbor, and friend  
against friend. For about two months  
previous to the elections the relations  
between Democrats and Republicans  
were considerably strained, and a fight  
or two in the neighborhood was no  
uncommon occurrence. Then the  
newspapers furnished the channel for  
all sorts of billingsgate and abuse, and  
to accept either side was to believe the  
other a set of cut-throats and scound-

rels. Now, there is another state of  
affairs entirely. The orator who is  
obliged to go back to '68 for his blood  
and thunder fails to draw, and the man  
who stands before the people with clear  
argument upon the living issues of  
the day, is the man the people stay  
with. The paper whose correspondents  
tell the truth, no matter what it hurts,  
is the paper the people want to read,  
and that class of newspaper work will  
grow more and more popular as the  
sun rises in the heavens. We hail this  
better day. We are better party men  
than ever because we are better citizens.

We cherish the same principles we  
used to go crazy over, and we have learned  
that reason is a better weapon than  
passion. We are still partisans, if you  
please, but a man can be a partisan  
without being a fool. Quite a number  
of us still believe that Billie Bryan is  
everlastingly right; others of us think  
that Judge Parker has blazed the way,  
while others of us pin our faith to  
Roosevelt, but we are all neighbors  
and friends, and we are not going to  
allow any politician with his war-  
whoop and feathers to fool us to strife  
and discord again. And we are going  
to train our children into the same  
and sober truth that the difference between  
the two parties, though wide and deep,  
is a difference between two opposing  
ideas—not candidates.

## The Unspeaking Peebles.

He is at it again, punishing people  
who have dared to criticize his injudi-

cial temperament and rulings. Mr.  
James R. Rodwell, of Warren county,  
was the latest example. Mr. Rodwell  
had some connection with the Warren  
Record, which, with every other paper  
in North Carolina, has practical uni-

formity, had criticized the Judge. Mr.  
Rodwell, however, made an affidavit  
that he was not responsible for the edi-

torial that had given offense to Judge  
Peebles; and as there was a vacancy in  
the Clerkship of
