Wool and cotton are the two greates rural delivery system 2,065 petitions for enough to keep the growth of the man-rural routes have been received from ufacture of this important staple on a North Carolina, and of this number, par with the manufacture of cotton. 743 have been acted upon adversely. The grazing areas that abound on the The Tar Heel State has had more sunny slopes of the Allegheny mounpetitions acted upon adversely by the tains, which pass on down from West Poetoffice Department than any other Virginia through Kentucky, Virginia, State in the Union, with the solitary Tennessee, Georgia and Alabama; the exception of Georgia, where 962 petitions have been turned down. Bad roads are probably responsible for this Bermuda grass, and the broad prairies the two engaged in a quarrel. A fight ensued, and Franklin came out the victor. Knight could not forget the humiliation of the whipping he received, and he swore vengence, and he got it.

One morning, on one of the main thorough farce of Macon, the dead body Tennessee leads all the Southern in these manifest advantages for the flockmaster. It would be a reflection upon the intelligence of the Southern increased numbers roaming over these rich pastures and will be a source of profit wherever grasses grow and waters flow. This is a resource that would make the heart of the planters glad with a new property. Nor should they engage in sheep husbandry to the exclusion of the cotton and other crops.

> Terribje Death in Nebraska Valley GOLDFIELD, Neb , July 20 .- John Mullin, E. M. Titus and Earl Weller, of Tulleride, Colorado, left Rhyolite June 20th on a prospecting trip into death valley. Today Mullins was brought to Rhyolite half-crazed from the terrible suffering he had undergone. He told how Titue and Weller wandered over the desert and in fifteen days failed t return. It is believed that they perished. Two horses and nineteen burros belonging to the party also met

death from thirst.

Hotel Project Abandon d. CHARLOTTE, N. C. July 20 .- It is reported on what seems to be good authority tonight that the Highlands hotel project, which has been exploited

is daily enacted, in thousands of home victim of Consumption or Pneumonia. But when Coughs and Colds are prop erly treated, the tragedy is averted. F. G. Huntley, of Oaklandon, Ind., writes : "My wife had the comsumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and to-day she is well and strong." It kills the germs of all discases. One dose relieves. Guaranteed at 50c and \$1.00 by all druggists. Trial
