DEAR SIR :

Enclosed please find express money order for seventy-five (\$75.00) dollars for photos taken of my Company during our engagement in Concord Christmas week. I do not hesitate to say that your work is more than satisfactory -- - comparing favorably as to clearness, effect, detail and posture with that of the best photographers in Philadelphia, New York and Washington.

Perfection in theatrical photographs is the actor and manager's ambition because probably no other class of people are as conspiciously and regularly displayed.

Take the best of care of our negatives, as you may expect many orders and some in the near future.

Very truly yours,

(Signed)
