est patterns and colorings.

- 1. A National Bank is under the supervision of the United States Government.
- 2 iLaws governing National Banks are very strict.
- 3. They are required to submit to the government a sworn detailed statement FIVE TIMES a year,
- 4. The stockholders are held responsible for DOUBLE the amount of their stock. This is for the benefit of
- 5. The capital stock is required to be paid in eash, and must be he'd intact for the benefit of the depositors.
- 6. The Bank is required each year to add to its surplus account before declaring dividends. This is for the further security of the depositors.
- 7: A National Bank cannot loan more than 10 per cent. of its capital to one man or firm.
