## Why a NATIONAL BANK is Best

- A National Bank is under the supervision of the United States Government.
- 2 Laws governing National Banks are very strict.
- The are required to submit to the government a swormed railed statement FIVE TIMES a year.
- the stockholders are held responsible for DOUBLE the amount of chair stock. This is for the benefit of
- The antital stock is required to be paid in cash, and must be bud introt for the benefit of the depositors.
- the The Bunk is required each year to add to its surplus account before declaring dividends. This is for the parthers emity of the depositors.
- 7. A National Bank cannot loan more than 10 per cent. on as empiral to one man or firm.
