The Papers and the Roads.

harlotte Chronicle

A quiet effort has been made in Congress to get the free pass business loosened up a little, but it met with swift failure. There can be no doubt of the free pass privilege was greatly abused before the enactment of the present laws and that the killing of the free pass was a good thing for both the public and the railroads but all transportation on tickets issued from headquarters is not necessarily free pass traffic. It is a perfectly legitimate business for a newspaper to make a contract with a rail-As partners will practice law in Cabarrus, Stanh, and adjoining counties, in the Superior and Supreme Courts of the State and in the Federa Courts. Office in Phifer Buildidg.

Parties desiring to lend money can leave it with us or place it in any of the Concord Banks for us and we will lend it on good real estate security free of charge to the depositor.

We make thorough examination of title to lands offered as security for loans. law in this respect is too stringen works a hardship on publisher in and gnneral. There should be some modification of it. We would not have the free pass privilege restored but the newspapers should be placed in position to deal legitimately with the railroads for legitimate businss.

To the Point.

There is a well-known saying that brevity is to the soul of wit." Below are to instances of the truth of

A man who is regarded as a bore by his acquaintances met a witty friend in the street and stopped him. "What's going on?', he asked.
"I am," was the other's reply, as

he continued his way, A celebrated physician, after examining a patient, advised him: "You'd better take a walk on an empty stomach every morning, my "Whose?" was the brief reply.
