BRYAN IN CINCINNATI.

Has Tremendous Ovation at the Home of Candidate Taft.

Mr. Bryan spoke last week in Ohio, Taft's home. He had great ovations everywhere. As the train carrying the distinguished Nebraskan pulled into the station at Cincinnati through a gauntlet of red fire, thousands of throats sent up a mighty yell of "Burrh for Bryan!"

The reception accorded the Democratic candidate on his way from Columbus was remarkable. Large crowds turned out all along the line, but it remained for Dayton to overwhelm him. So great were the crowds that he was compelled to deliver two extra speeches to street throngs that stopped street car traffic.

Is Indiana Going Democratic?

So far as we can discover they are not smiling at all over Indiana. The effort is too painful. Several special elections of members of the legislature occurred on Thursday. Five Republican counties in the northern part of the State, which gave Roosevelt a majority of 2,500, went Democratic by nearly 200.

ROOSEVELT'S BYPLAYS WON'T WORK.

Can't Thus Divert Attention from the Issues, Says Mr. Kern.

"Mr. Roosevelt will find it quite impossible by the raising of side issues and the muddying of the water to divert the minds of the people from the questions that must be decided by their votes in November."

MR. BRYAN IN INDIANA.

Addressing two large gatherings at Terra Haute, Ind., Friday William J. Bryan, Democratic candidate for President, reiterated his charges that President Roosevelt was not giving him a square deal but that the President was using Federal officeholders as a Republican asset.

His principal remarks were made at the baseball park, where he denounced the Republicans for their politics and pleaded with his audience to stand together and elect the State and national Democratic tickets. The second address was made at night from the court house steps.

KANSAS CORN TALKS.

Stalks Have Reached an Immense Growth This Year.

The veracity of the Kansas farmer is never doubted, hence the State Board of Agriculture is making preparations to have men to assist in the harvesting of the greatest corn crop the State has ever known.

A NEW MENACE TO THE PEACE OF THE SOUTH.

Charlotte Chronicle.

The papers have been carrying a good deal of news lately about the troubles in the cotton districts of some of the Southern States, and especially in Arkansas, where a movement similar to that of the night riders in the tobacco district of Kentucky has developed. This is by no means a new movement.

Will Demand 10 Cents.

Mr. C. C. Moore returned yesterday from Spartanburg, S. C., where on Saturday he with Senator-elect E. D. Smith, of South Carolina, spoke to the farmers of Spartanburg county.

Another Cotton Picker.

Charlotte Chronicle. They are always getting the cotton picking machine nearly ready. There is usually some sort of a delay or something slightly out of joint at the machine shop, and that seems to be the case with the picker invented by Mr. N. M. Henderson, who has found time from his duties as chief of police of Henderson, this State, to figure out a working model of a cotton picking machine.

Little Willie Helps Bryan.

Charlotte News. If Treasurer Haskell, of the national Democratic campaign fund, is really as charged by little Willie Hearst of working for Standard Oil, this paper will not be slow to condemn him, but he indignantly denies the charge as a falsehood out of the whole cloth, and says if it can be proved on him he will resign from his present job of treasurer.

More Ginners Threatened.

Word reached Greenville, S. C., of the posting of a threatening notice on ginners in that city. The notice was from R. C. Williamson, eight miles from Greenville. The notice reads: "Take warning and do not gin any more cotton; if you do, you will suffer the consequences."

Trade Territory of a Town.

Mr. Olive Tribune. The trade territory of a town is not all dependent upon the distance to neighboring trading points. The trade territory depends upon the enterprise of the merchants and the residents of the town. If a town does not reach after the trade it will grow only as fast as it has to, and it will grow as it is forced to.

Girls Not Admitted to Normal.

A storm of dissension among the relatives and friends of four of Winston's popular young ladies is razing about the head of President Foust, of the State Normal College at Greensboro, because he refused admission to the institution last Monday. A dance given in their honor by young men at Winston last Friday night figures in the case.

Record of the Republican Party in the State.

A large and enthusiastic crowd heard J. William Bailey at Hickory Monday evening discuss Democratic doctrines. He began with State issues and accepting Mr. Elwood Cox's invitation to young men to scrutinize the Republican party in the State, he said that two words would sum up that record: "Holden and Russell." He told of the opinion Butler, Adams, Hilderbrand and Cox had expressed of one another and asked if that was not a nice select party to invite any respectable young man to join.

Fine Democratic Prospects.

Norman E. Mack, chairman of the Democratic National Committee, is planning to force the fighting in the Pacific States, and during the month of October, speakers of national prominence will be sent West to aid in swinging all debate States into line for the Democrats. Mr. Mack said that the reports received from California, Oregon, Montana, and Colorado were of such character as to lead him to the belief that with a strong effort they would be captured for Bryan and Kern.

A Bad Sign Wine of Cardui. Irregularity is bad in every department of life, in meals, in sleeping hours, but especially when it is a question of womanly habit. Not only is it a sign of female disease, but, unless cured, it will cause dangerous troubles, because of the poisons thus allowed to remain in the system. If you suffer in this way, get a bottle of Wine of Cardui. Mrs. Lucinda Johnson, of Fish Creek, Wis., writes: "I suffered for fourteen (14) years with irregularity, causing great pain. At last I tried Cardui, and now I am cured." At all druggists, in \$1 bottles. WRITE US A LETTER
